Mr. Rodriguez explained the proposed development of this property has been in process for the past five (5) to six (6) years. The community has been informed of the project. Mr. Rodriguez stated the length of time has to do with the securing of financing and PHFA tax credits. Mr. Rodriguez stated today's action by the Board would identify APM as the redeveloper, which will allow this project to proceed to City Council and be able to go to settlement for the development of these properties. Mr. Rodriguez stated he is well aware of the property and that it is not technically a "community park space." Mr. Rodriguez stated this is a testament to PHS's good work to stabilizing this area.

Ms. Fadullon stated an RFP was issued several years ago to seek a developer to develop the property as affordable housing. The intent has been consistent and several community meetings were held. Ms. Fadullon stated that Mr. Lawrence would be able to connect Ms. Lee with the developer.

Ms. Fadullon recognized Mr. Mears and invited him to address the Board. Mr. Mears raised a concern with regard to the proposed development and asked if these would be rental properties? Mr. Lawrence responded yes. Mr. Mears stated the residents who reside on the 1800 block of N.
Franklin Street were under the impression these homes would be built for senior citizens, but not as rental properties. Mr. Mears stated that he believed the proposed development would have a negative effect on the value of the surrounding properties due to it being rental properties. Mr. Mears asked when this became a rental project. Mr. Rodriguez responded that this project was always proposed as a 9% low-income housing tax credit project, which is inherently structured as rental units. Mr. Mears asked if these homes would only be for seniors. Mr. Rodriguez replied yes.

Mr. Mears asked if this was going to be a four (4) story building. Mr. Lawrence responded the building is going to be three (3) stories. Mr. Lawrence further stated that the total number of rental units is forty-four (44), comprised of thirty-eight (38) 1-bedroom units and six (6) 2-bedroom units. Mr. Lawrence stated the entire building's use is residential with a community space attached to the building.

Mr. Rodriguez clarified that we are only talking about Authority owned properties which front onto Berks Street between 8th & Franklin Street. Mr. Rodriguez stated that there are Philadelphia Housing Authority properties being disposed directly to APM that reside on Franklin street. Mr. Rodriguez stated that the Board package provides a map which shows what properties are being conveyed.

Mr. Lawrence stated the building is an "L" shape. Mr. Lawrence stated it appears the lobby and the reception area is going to be located on the corner facing 8th Street which is the access to the building with a circular driveway that connects to the parking lot. Mr. Mears asked what is facing on 8th Street and Franklin Street. Mr. Rodriguez asked Mr. Lawrence to share his screen showing the map. At this time, Mr. Lawrence shared his screen and explained the layout of the project. Mr. Lawrence further stated this is the proposal for the Authority-owned properties. Mr. Mears asked if the open space have some type of fencing. Mr. Lawrence replied that fencing is possible but that the area would have to be accessible.

Mr. Mears advised the Board that residents do not want anyone to lounge in the open space. Mr. Lawrence stated Mr. Rodriguez referred to a community participation process regarding the design of the building. Mr. Lawrence stated he could have the developer provide clarification with regards to the design itself. Mr. Mears stated it has been years since the community was involved. Mr. Mears stated there hasn't been any meetings in over two (2) years.

Mr. Mears explained there have been some tragedies on this lot and that a child was previously killed on the lot. Mr. Mears stated that residents are concerned as to what is being located on the open space. Mr. Rodriguez stated that he recalls the incident to which Mr. Mears is referring. Mr. Mears stated he would like to see fencing installed so people cannot congregate in the space.

Ms. Fadullon made a recommendation to staff to provide the contact information of the developer to Mr. Mears. Ms. Fadullon stated that staff will ensure that the developer will reach out to Mr. Mears and have a conversation with the community. Mr. Rodriguez stated that he will ensure this happens.

Ms. Fadullon thanked Mr. Mears for expressing his concerns.

Additional Comments and Discussion

Ms. Fadullon recognized Ms. Greenberg from Neighborhood Gardens Trust and invited her to speak. Ms. Greenberg stated she is the Executive Director of Neighborhood Gardens Trust ("NGT"). Ms. Greenberg stated that NGT has been active since 1986 as a land trust dedicated to acquiring and preserving community gardens and other open spaces throughout Philadelphia. Ms. Greenberg stated NGT has protected fifty (50) community open spaces to date and is working to provide protection to a number of long standing gardens which are in jeopardy of being lost due to the real estate market pressures. Ms. Greenberg stated that this was previously approved in 2020 as a nominal transaction. Ms. Greenberg explained NGT has concerns with regards to the now proposed note and self-amortizing mortgage.
Ms. Greenberg stated that she submitted an email to Mr. Rodriguez back on May 11, 2021 to discuss these issues. Ms. Greenberg stated that she received an email earlier today detailing Mr. Rodriguez's response to NGT's concerns. Ms. Greenberg stated that she has not had time to digest the issues and stated she has continued concerns. Ms. Greenberg asked that this item be tabled at this time so we can have the appropriate discussions.

Ms. Fadullon asked if staff has any concerns or issues with tabling this item. Mr. Rodriguez responded that there was an issue as to timing as City Council recess in June and that he would be uncomfortable not requiring a self-amortizing mortgage and note on these properties to protect the Authority's interest in the properties. Mr. Rodriguez explained this property is valued at over Two Million Eight Hundred Thousand Dollars ($2,800,000) and the other property is valued at Four Hundred Ninety Thousand Dollars ($490,000). Mr. Rodriguez stated the mortgages and notes would ensure that the Authority's interest in the property would be protected following the issuance of a Certificate of Completion ("COC") under the Redevelopment Agreement. Mr. Rodriguez stated that monthly payments are not required under the respective mortgages and notes and that these documents would ensure that the property remain unencumbered and remain as gardens for the life of the mortgages. Mr. Rodriguez stated that the mortgages and notes would provide for a sufficient cure period in the event a notice of default was issued. Mr. Rodriguez pointed out that NGT should have ample time to correct any property maintenance issues.

Mr. Rodriguez stated that the mortgage and note requirement have been applied consistently to these types of projects in the City. Mr. Rodriguez stated that the Authority has a significant interest in these properties not being leveraged with other financing and providing a financial windfall to developers. Mr. Rodriguez stated that the Authority's ability to reclaim the properties could be significantly affected by private financing being placed on the properties. Mr. Rodriguez stated that he would be uncomfortable presenting this matter to the Board without a self-amortizing mortgage and note and that tabling this now would not change his position.

Mr. Cuorato asked Ms. Greenberg if the request to table is just a conceptual objection to the mortgage or to the specific terms that are being proposed. Ms. Greenberg replied that her objections are to the specific terms of the mortgage and note and that it is not entirely clear what would constitute a default. Ms. Greenberg also stated that she has an issue with the valuation of the properties. Mrs. Greenberg stated that she would like the opportunity to review the documents and that NGT currently insures the property through a lease with the Authority and that a delay would not alter the Authority's potential liability.

Ms. Fadullon recognized Mr. Weiss from Council District 3 and invited him to speak. Mr. Weiss stated for the record does support NGT's request to table this item as this time, which will allow staff to address Ms. Greenberg's concerns.

Mr. Cuorato made a motion to have Item III(e) tabled at this time, which was seconded by Mr. Bumb. Ms. Fadullon stated that Ms. Greenberg also requested that Item III(f) be tabled as well, due to the same concerns. Mr. Cuorato made a motion to table Item III(f) as well, which was seconded by Mr. Bumb.
Ms. Fadullon noted for the record that Item III(f) has been tabled per the request of the redeveloper, Neighborhood Gardens Trust.

Mr. Lawrence presented "Item III(g) – Selection of Redeveloper, Virginia Gaymon" in substance consistent with the attached Fact Sheet hereto.

NAME OF BORROWER/APPLICANT: Impact Loan Fund, Inc. ("Borrower")

Background: The Philadelphia Redevelopment Authority ("Authority") issued a Request for Proposals dated August 30, 2018 (the "Request for Proposals"), seeking qualified financial institutions to provide loans (each, an "SLLP Loan," and together, the "SLLP Loans") and technical assistance to landlords (each, an "SLLP Landlord," and together, the "SLLP Landlords") located within the City of Philadelphia (the "City") that own a total of ten (10) or fewer units in need of health and/or safety-related repairs (herein, the "Small Landlord Loan Program" or "SLLP"). Borrower was selected as the most qualified financial institution.

Pursuant to Resolution No. 2019-81, adopted by the Authority Board on November 13, 2019, the Authority made available to Borrower a non-revolving line of credit facility in the maximum principal sum of Three Hundred Eighty Thousand Dollars ($380,000) ("First Line of Credit"), the proceeds of which are to be used for the purpose of providing the SLLP Loans and technical assistance to SLLP Landlords in the City. The loan documents related to the First Line of Credit were executed on April 3, 2020.

Pursuant to Resolution No. 2020-27, adopted by the Authority Board on May 13, 2020, due to the circumstances surrounding the COVID-19 pandemic and severe economic impact it has had on tenants and landlords in the City, the Authority expanded the SLLP and made available to Borrower an additional non-revolving line of credit facility in the maximum principal sum of Six Hundred Thousand Dollars ($600,000) ("Second Line of Credit"), the proceeds of which are to be used for the purpose of providing loans in the maximum principal amount of Ten Thousand Dollars ($10,000) (each, an "SLLP Emergency Loan," and together, the "SLLP Emergency Loans") to landlords located in the City that (i) own a total of fifteen (15) or fewer units, and (ii) are in need of funds to help keep their units and buildings in operation during the COVID-19 pandemic (each, an "SLLP Burdened Landlord," and together, the "SLLP Burdened Landlords"). The loan documents related to the Second Line of Credit were executed on June 12, 2020.

Pursuant to Resolution No. 2021-10, adopted by the Authority Board on February 10, 2021, the Authority Board authorized, among other things, (i) a reduction of the principal amount of the First Line of Credit by Two Hundred Thousand Dollars ($200,000) such that the total principal amount available under the First Line of Credit is One Hundred Eighty Thousand Dollars ($180,000), and (ii) an increase to the principal amount of the Second Line of Credit by Two Hundred Thousand Dollars...
such that the total principal amount now available under the Second Line of Credit is Eight Hundred Thousand Dollars ($800,000), (iii) an extension of the "Maturity Date" of the Second Line of Credit, (iv) an expansion of eligibility of SLLP Burdened Landlords, (v) an increase in the principal amount of SLLP Emergency Loans to be given by Borrower, (vi) an extension of the term of each SLLP Emergency Loan to be given by Borrower, (vii) an extension of the time required for repayment of SLLP Emergency Loans, (viii) an extension of the time period during which Borrower may originate SLLP Emergency Loans, (ix) the conversion of the Second Line of Credit from non-revolving to revolving, (x) a modification to the requirements of SLLP Burdened Landlords to obtain SLLP Emergency Loans, and (xi) a requirement that Borrower obtain and provide to the Authority a completed Pennsylvania Housing Finance Agency ("PHFA") Tenant Income Certification Form from the tenants of any SLLP Burdened Landlord prior to the issuance of any SLLP Emergency Loan confirming that all units are leased affordable to tenants whose household income does not exceed sixty percent (60%) of Area Median Income ("AMI").

The First Allonge to the Line of Credit Note and Modification of Non-Revolving Line of Credit Agreement relative to the First Line of Credit was executed on February 26, 2021. The First Allonge to the Line of Credit Note and Modification of Non-Revolving Line of Credit Agreement relative to the Second Line of Credit was executed on February 26, 2021.

**Nature of Request:** Authority staff seeks authorization to again modify the Second Line of Credit, as previously modified, to increase the principal amount available under the Second Line of Credit by One Million Dollars ($1,000,000) such that the total principal amount now available under the Second Line of Credit is One Million Eight Hundred Thousand Dollars ($1,800,000).

All other terms of the First Line of Credit and Second Line of Credit, as previously amended and not specifically modified herein, shall continue in full force and effect.

Proposed Resolution is attached.

The terms and conditions of the Agreement are contained in a Confidential Settlement Memorandum that has been provided to the Board.

PROPERTY INFORMATION: 1907-15 Ridge Avenue, Philadelphia, Pennsylvania

COMMENTS OR OTHER CONDITIONS:

NAME OF TENANT: 1260 Housing Development Corporation ("Tenant")

BACKGROUND: The Philadelphia Redevelopment Authority ("PRA") is the owner of the property located at 2025-29 Chestnut Street, Philadelphia, Pennsylvania (the "Property"), together with all improvements thereon, including that certain seven (7) story building known as Mid-City Y (the "Building"). PRA, as landlord, and Mid-City Residential Associates, L.P. ("Mid-City LP"), as tenant, entered into a certain Amended and Restated Lease dated February 12, 1998 and made effective as of February 26, 1998 (the "Lease"), for the fourth through seventh floors plus a portion of the first floor of the Building (the "Leased Property"). The Lease was assigned by Mid-City LP to Tenant pursuant to that certain Assignment, Assumption and Consent Agreement dated June 28, 2016, and made effective July 1, 2016 (the "Assignment Agreement"). The term of the Lease is scheduled to expire on February 28, 2038 (the "Lease Termination Date").

NATURE OF REQUEST: Tenant has requested that PRA enter into an Option to Extend Lease Term ("Option Agreement") to extend the Term (as defined in the Lease) for ten (10) years from its current Lease Termination Date so that it can carry out a renovation and recapitalization of the Leased Property (the "Project"). To determine the feasibility of the Project, Tenant will be obliged to spend substantial funds and other resources on, inter alia, investigating the condition of the Property, developing architectural and construction plans, applying for financing for the Project, and applying to Pennsylvania Housing Finance Agency ("PHFA") for an allocation of low-income housing tax credits to the Project. Tenant is willing to make such expenditures as are required to determine the feasibility of the Project, provided that PRA enters into the Option Agreement.

The material terms of the Option Agreement are as follows:

Option – The Option Agreement shall provide that Tenant has the option ("Option") to extend the Term of the Lease for an additional ten (10) years from the current Lease Termination Date (which would result in the Term extending to February 28, 2048) ("Extension Term"), pursuant to the terms and conditions of a to-be-executed amendment to the Lease ("Amendment"), which Amendment is subject to Philadelphia City Council approval.

Option Payment - As consideration for the grant of the Option, Tenant will pay to PRA the sum of Ten ($10.00) Dollars ("Option Payment") as a non-refundable Option payment.
**Extension Term Rent** - Tenant shall pay to PRA rent (the "**Extension Term Rent**") for the Leased Property in the amount of Ten Dollars ($10.00) for the Extension Term, payable upon execution of the Amendment.

**Option Term; Approval; Termination** - The Option Agreement and the Option granted thereunder shall remain in effect for three (3) years from the date of execution of the Option Agreement (the "**Option Term**"). If the Option is exercised by Tenant, the parties will finalize, in good faith, the Amendment incorporating the applicable terms and the Amendment will be submitted by PRA to Philadelphia City Council for approval. Tenant may terminate the Option Agreement at any time. Tenant shall not be permitted to exercise the Option if there is a continuing default under the Lease or Assignment Agreement.

**Assignment of Option Agreement** – The Option Agreement may only be assigned by Tenant if such assignment is authorized by the PRA's Board of Directors and Philadelphia City Council.

All terms of the Lease and the Assignment Agreement not specifically modified by the Option Agreement or Amendment as proposed above shall continue in full force and effect.

Proposed Resolution is attached.

NAME OF BORROWER/APPLICANT: (1) Esperanza Health Center Support Corporation ("Borrower") and (2) NFF New Markets Fund XLIV, LLC and PNC CDE 117, LLC (collectively, "Lenders")

Background: The City of Philadelphia (the "City") by deed ("City Deed") conveyed 3222-58 H Street, Philadelphia, Pennsylvania (collectively, the "H Street Property") to the Philadelphia Redevelopment Authority ("Authority"). Thereafter, the Authority by deed ("Authority Deed") conveyed the H Street Property to Esperanza Health Center, Inc. ("EHC"). Pursuant to the City Deed, the Authority agreed for itself, its successors, and assigns, to take the H Street Property subject to the following conditions (collectively, the "Conditions"): 

A. Develop and use the H Street Property in conformity with the Comprehensive Land Use Plan of the City.

B. Undertake and complete the rehabilitation and/or improvement of the H Street Property within one (1) year of July 13, 2017 in conformity with the Building, Electrical, Fire, Housing, Plumbing and Zoning Codes of the City and regulations promulgated thereunder, unless said time is otherwise extended in the manner as provided for in Chapter 16-400 of the Philadelphia Code.

The City Deed and the Authority Deed provide that title to the H Street Property is conditioned upon compliance with the aforementioned Conditions, and that failure to do so would cause title to revert, at the City's sole option, to the City, or its nominee (the "Reversion Right"). EHC became subject to the Conditions and Reversion Right pursuant to the Authority Deed.

EHC created Esperanza Health Center Support Corporation ("Borrower") for the purposes of (1) assuming title to the H Street Property and 861-79 East Allegheny Avenue (the "Allegheny Property" and collectively with the H Street Property, the "Property") from EHC and (2) the redevelopment of a vacant former bank building into a new community-based healthcare center on the Allegheny Property complimented by the construction of a parking deck on the H Street Property (the "Phase I Project").

The Borrower acquired title to the Property from EHC and accepted certain loans, a source of which are New Markets Tax Credit ("NMTC") loans in the aggregate principal amount of $18,200,000 in connection with the Phase I Project.
Borrower now intends to construct a new community center on the H Street Property (the "Phase II Project") and enter into a lease with EHC to lease the Phase II Project to EHC (the "Phase II Lease"). However, in order to finance the development and construction of the Phase II Project, Borrower requires certain loans in the aggregate principal amount of $11,230,000 (collectively, the "Phase II QLICIs") from (i) NFF New Markets Fund XLIV, LLC, a New York limited liability company, and (ii) PNC CDE 117, LLC, a Delaware limited liability company (collectively, the "Lenders"), which Phase II QLICIs will be secured by a second-priority mortgage on the H Street Property. In order to obtain the Phase II QLICIs, the Borrower and Lenders have requested that the Authority enter into a subordination agreement.

**Nature of Request:** Authority staff seeks authorization to enter into a subordination agreement to:

(A) consent to (i) the making and acceptance of the Phase II Lease, (ii) the making and acceptance of the Phase II QLICIs, and (iii) the execution and recording of the Phase II QLICI Mortgage; and

(B) subordinate the Authority Deed and the Reversion Right contained therein in favor of the Phase II QLICI Mortgage; and

(C) provide warranties and representations.

Because the City has the sole option to exercise the Reversion Right, and they have consented to the subordination of the Authority Deed and Reversion Right, Authority staff seeks to provide the corresponding subordination.

**Proposed Resolution is attached.**

NAME OF DEVELOPER/APPLICANT: The Trustees of University of Pennsylvania

Nature of Transaction: By Resolution No. 12,870 adopted February 4, 1986, the Board authorized the selection of The Trustees of University of Pennsylvania ("UPENN") to develop Unit No. 5, Parcel No. 14 (southeast corner of 34th Street and Ludlow Street) (herein, the "Premises") as 57,000 square feet of office space and a 700 space parking garage and that the Premises as completed would be shared with Drexel University. A letter from UPENN dated January 31, 1986 mentions that the plan was to construct a parking, office and academic facility including an 800-900 car parking garage and 56,000 gross square feet of office and physical plant space.

Plans attached to the Redevelopment Agreement dated May 1, 1986 (the "Redevelopment Agreement") appear to depict a structure fronting Chestnut Street which is six (6) to seven (7) stories tall and a parking garage fronting on Ludlow Street. The Redevelopment Agreement further provided that construction of the improvements on the Premises was to commence within three (3) months of settlement and be completed within twenty-four (24) months of settlement.

The Premises was conveyed to UPENN by deed dated March 17, 1987, meaning that the initial commencement and completion dates for the construction were June 17, 1987 and March 17, 1989 respectively.

The purchase price paid by UPENN for the Premises was Nine Hundred Seventy-Two Thousand One Hundred Seventy-Three Dollars ($972,173).

On March 27, 1987, UPENN entered into a First Amendment to the Redevelopment Agreement which extended the initial commencement and completion dates for construction.

On June 28, 1989, UPENN entered into a Second Amendment to the Redevelopment Agreement which again extended the commencement and completion dates for construction.

On May 23, 1998, UPENN entered into a Third Amendment to the Redevelopment Agreement which further extended the commencement and completion dates for construction to March 1, 1997 and March 1, 1999, respectively.
Today, the board is being asked to authorize a resolution to amend the terms of the Redevelopment Agreement, as previously amended, to extend the construction commencement and completion dates, to provide revised development plans, and to make certain other modifications to the terms of the Redevelopment Agreement, as previously amended, as follows:

1. **UPENN** shall develop the Premises as a parking garage (which has been previously constructed) and an approximately 115,000-125,000 square foot, six-story academic and administrative building for use and occupancy by the University of Pennsylvania, together with related site work, sidewalks, trees and landscaping.

2. **UPENN** shall include a social impact and community engagement strategy as a condition of entering into the amendment, which will culminate in a series of recommended actions that will be submitted in the form of a written report (the "Final Report"). Recommendations may include, but not be limited to, programs and support to grow educational and economic opportunity for West Philadelphia and Southwest Philadelphia residents. **UPENN** will dedicate One Million Seven Hundred Fifty Thousand Dollars ($1,750,000) to the initiatives outlined in Final Report (the "Community Investment").

3. **UPENN** shall not commence any further work on the Premises until:

   A) The Authority issues written approval of the Design Development Plans (which condition shall be satisfied upon execution of the Fourth Amendment by all parties);
   B) **UPENN** attends a pre-construction meeting with the Authority;
   C) **UPENN** has obtained, at its sole cost and expense, all permits, licenses, approvals and variances required by any governmental body for commencement of the work set forth in the Design Development Plans;
   D) **UPENN** provides the Authority with its affidavit stating that the Design Development Plans are consistent with plans approved by the Department of Licenses & Inspections for issuance of a building permit; and
   E) The Authority issues a notice to proceed

4. Extend the commence construction completion dates to November 1, 2022 and February 1, 2025 respectively.

5. **UPENN** shall agree to provide appropriate works of Fine Arts in accordance with The Percent for Art Program.
6. In consideration of the grant of the amendment, UPENN shall pay to the Authority a fee in the amount of Fifty-Four Thousand Two Hundred Fifty Dollars ($54,250), which is payable upon execution.

Nature of Request: In order to manage stormwater runoff and improve drainage in the vicinity of the 1900 block of Huntingdon Avenue, and upon a portion of the property owned by the Philadelphia Redevelopment Authority (the "Authority") located at 1941-47 Huntingdon Avenue (the "Premises"), the City of Philadelphia (the "City") intends to construct green stormwater infrastructure ("GSI") consisting of surface and subsurface stormwater management elements on the Premises.

The GSI will be constructed through a portion of the Premises from East Huntingdon Street to East Harrold Street. In order for the City to construct and maintain the GSI, the Authority must grant unto the City a certain right-of-way and easement for drainage purposes.

Authority staff seeks authorization to enter into a Right of Way and Easement Agreement with the City for the grant of said right-of-way and easement. The Easement will be for the use and benefit of the City and the public.

NAME OF SPONSOR: HACE

Nature of Request: Authorization for the Philadelphia Redevelopment Authority ("Authority") to release a portion of land secured by the VDC Mortgages (as hereafter defined) in connection with the Village Del Caribe project, an eighty-one (81) unit low income housing tax credit project that contains 7,229 square feet of commercial space ("Project") located at 161-171 W. Allegheny Avenue and 3241-65 N. Hancock Street ("Property").

BACKGROUND/PROJECT DESCRIPTION:

The Authority provided three loans to Villas Del Caribe Limited Partnership ("Partnership") secured by three mortgages on the Property (collectively, the "VDC Mortgages") as evidenced by the following three notes in connection with the acquisition, rehabilitation, and preservation of the Project:

1. A loan executed December 17, 1991 in the principal amount of $534,000 ("Acquisition Loan").
2. A loan executed October 15, 1996 in principal amount of $1,889,341 ("Rehabilitation Loan").
3. A loan executed June 1, 2018 in the principal amount of $950,000 ("Preservation Loan").

In 1998, with the completion of the Project, HACE relocated its operations and management company to the Property. Over the last five (5) years, HACE has grown exponentially and with this growth, has added five (5) new staff members and seeks to fill an additional six new staff positions. As a result of this expansion, HACE has outgrown its current space.

HACE is one of the few organizations in Eastern North Philadelphia that has been open to the public during the COVID-19 pandemic. As a result, demand for their services has grown significantly, resulting in an expansion of its Housing Counseling Program, Fiscal Department, and Administrative Department. HACE has been able to stay open because most of the staff have private offices that allow them to socially distance and safely do their work. HACE cannot accommodate new staff within the current office footprint. An expansion of its space would allow HACE to increase services to the low-income households they serve throughout Eastern North Philadelphia.
HACE has received zoning approval to subdivide the Property, which will allow them to separate the residential component from the commercial office building ("Commercial Building"). The new lots will provide for approximately 97,771 square feet to be allocated to the residential component and approximately 7,229 square feet to the Commercial Building. OPA is in the process of issuing the new tax numbers and addresses for each of the parcels. HACE has secured the appropriate zoning for the proposed expansion of the Commercial Building. Upon approval by the Authority, the Partnership would sell the Commercial Building to HACE for a nominal amount. This will enable HACE to secure construction financing in the amount of One Million One Hundred Thousand Dollars ($1,100,000) to expand and renovate the Commercial Building.

**BOARD ACTION REQUIRED:**

1. Authorize the Authority to release a portion of the Property containing the Commercial Building, in an approximate amount of 7,229 square feet from the VDC Mortgages.

WHEREAS, in 1998, HACE, the sponsor of the Project, relocated its operations and management company to the commercial space located on the Property ("Commercial Building"); and

WHEREAS, over the last five (5) years, HACE has grown exponentially and has outgrown its current space; and

WHEREAS, HACE would like to expand the Commercial Building to increase services to the low-income households they serve throughout Eastern North Philadelphia; and

WHEREAS, HACE has received zoning approval to subdivide the Property, which will allow them to separate the residential component which will have approximately 97,771 square feet from the Commercial Building which will have approximately 7,229 square feet; and

- Release a portion of the Property containing the Commercial Building, in an approximate amount of 7,229 square feet, from the VDC Mortgages.
