

Example of Relocation Plan

Thank you for contacting Senior Transitioning Solutions. We would be happy to help plan and implement your move. Based upon information you provided at your free in-home consultation we have determined that you would like the following services:

- Scheduling mover
- Professional packing services
- Scheduling for an Estate Sale, Donations and removal of unusable items
- Coordination of move day activities
- Unpacking and set up of belongings in your new home

Our estimates are based on the services you request and the average cost of similar moves. Your estimate will include labor and all supplies. Senior Transitioning Solutions can also help with a variety of additional services as needed:

- Sorting and organizing for the move
- Timetable and planning for move
- Space planning for new home
- Service and address change notification
- Supervision of housecleaning and house closure activities
- Shredding
- Other items as they arise

Senior Transitioning Solutions' professional organizers can help you sort through closets, basements and attics, identify what you need and where it should be placed in your new home. Most people feel that advance preparation with a Professional Senior Move Manager reduces stress and results in a smoother move. Senior Move Manager services often pay for themselves by lowering packing and moving costs.
