

**Columbus City Schools (CCS)** will continue its Online Academy by offering a virtual, month-long summer school program for students.

The CCS Summer Experience will take place from June 15 through July 25. The program is free for Columbus City Schools students.

Registration begins Tuesday May 26, and runs through Friday, June 5, through the Infinite Campus Parent Portal.

Students enrolling in summer school will continue to use online educational platforms Edmentum, iReady, Study Island, and Achieve3000, the platforms students currently use in the CCS Online Academy.

- High School Multiple Disability Course

For students served in multiple disability classrooms, summer school will address and reinforce Ohio Extended Learning Standards for ELA and Math (K-12). Students and families will log into Google Classroom to access materials from Unique Learning System as well as teacher directed enrichment activities. If a high schooler is enrolling in this Summer School option, caregivers should select the course, Multiple Disability Virtual Classroom. This course will address the content areas of ELA and Math and strengthen important concepts for the preparation of the Ohio Alternate Assessment.

Language assistance will be available for families throughout the summer.
