

Lowpoint-Washburn Technology Use Guidelines for K-1

Parents & Students,

When borrowing school technology for remote learning, please be aware of the following policies:

- School technology (computers, tablets, charging cords etc) are to be treated with care and used in a safe, responsible and appropriate manner.
- School technology should only be used for remote learning and not for personal use.
- Devices are to be returned at the school's request.
- Devices should be undamaged and in working order upon return. Any damage to school technology will become the financial responsibility of the family.

Lowpoint-Washburn Technology Use Contract

I have read the Technology Use Guidelines and agree to abide by the policies that have been communicated with me.
