

## LowPoint Washburn Sports Booster Club

The LowPoint Washburn Booster Club invites you to support the LW School District by becoming a booster club member. The booster club has been an active part of all school extracurricular activities since 1976.

With membership support and various fundraisers we are able to provide the Junior High and High School athletic programs with equipment and training supplies and uniforms. We also provide recognition banners and picture frames to the Senior athletes.

We hope that you will consider supporting the program so that we can continue to give these athletes and coaches the recognition that they deserve.

The booster club has monthly meetings and encourages attendance to help us plan activities and fundraisers.

Please complete the form on the back of this letter and return the form and donation to your child's teacher or to the district office address listed on the back of this letter.

Please make checks payable to: LowPoint Washburn Booster Club

Thanks again for all your support!
