Register now as this event will sell out! Please join **IDA NorCal** and our co-sponsors **Decoding Dyslexia CA** and **Learning Ally** for an interactive and engaging panel discussion with dyslexia experts, former members of the CDE Dyslexia Guidelines workgroup, teachers and school administrators as we discuss how to implement AB 1369 best practices in improving outcomes for our students with dyslexia. Learn about real examples of how school districts are making a difference and discuss the challenges ahead as we join together to address this important topic. Event will include an opportunity to participate in an Experience Dyslexia® simulation. In addition, the event will feature booths and exhibitors with information on assistive technology and local dyslexia resources.

This event is intended for school administrators, educators, parents/guardians, and other interested community members.
