

HP-250

Major League Home Plate with Spikes

- High durability, molded rubber construction
- Stanchion mounted steel plate
- Easily removed for maintenance or storage
- Comes with sleeve or removable 5 zinc-plated spikes

NOTE: When installing do not pound directly on the plate because it may cause damage. Place a 2 inch thick piece of wood over the plate and use a hammer to lightly pound on the block of wood.

CAUTION

Installer should make sure top of home plate is level with playing surface.
