Start your journey
NOW!

Do you/your child snore and/or grind your teeth?
Do you/your child put things in your mouth?
Do you/your child have bad breath?
Do you/your child have dry lips?

Our Myomunchee program can help! This service will provide you/your child with the tools to start solving your problems right **now!**

You will order your own Myomunchee at myomunchee.com (we will help you determine size) and have it sent directly to you. Contact us upon receipt of the appliance and our program will include:

- **3 Virtual Consultations:**

- (1) introduction to appliance and set primary placement,
- (2) follow-up and set new goals (15 minutes),
- (3) continue to evaluate and revise goals.

Patient can send short ten (10) second videos throughout the program for short feedback.

Total Coaching Fee: ONLY \$97! If needed, can add three (3) additional sessions for \$77.

*Estimate is good for three (3) months from date received.

What does this program do?

- Start addressing concerns now!
- Gets patient used to having appliances in the mouth.
- Helps promote nasal breathing.
- Helps address sleep concerns and dry lips.
- Helps improve bad breath by helping saliva production.
