# CAMERON PARISH LOUISIANA

*Home of the Creole Nature Trail, Cameron's plentiful flora and fauna attract more than 200,000 visitors each year. Cameron Parish's natural backdrop offers great opportunities for hunting and fishing, and its close proximity to the Gulf of Mexico makes it a natural fit for industries such as oil and gas. Topping the list of revenue-producing businesses are LNG terminals, pipeline companies, marine support vessels and offshore drilling operations.*
