The Board reviewed the actuals and the budget.

Under correspondence the Port Director Clair Hebert Marceaux discussed the email from Office of Coastal Management regarding Maintenance Dredging in the Cameron Loop and modifications to the permit. Discussion and Public Comment Period followed.

Jimmy Brown reported on vessels arriving and departing Cameron LNG, one to two LNG ships per day. Mr. Romero thanked Port Director Clair Hebert Marceaux and Representative Ryan Bourriaque for their work during the permit process.

District Attorney Jennifer Jones reported that she spoke to Cameron Water Works for Tommy's Seafood to use their waste water treatment facility for six months while they apply for a waste water treatment permit. She also stated that Tommy's Seafood hired Terry and Jennifer Picou to manage the facility and that Monroe Gray has two vessels that need to be removed from the docks but Tommy's Seafood has a plan in place to handle this issue. If their plan does not work she would draft a letter to be served to Monroe Gray that stated a date the vessels has to be removed by certified mail.

Under Old Business the board considered the execution of lease agreement of the Cameron Parish Port Harbor & Terminal District's property to Venture Global LNG giving President the authority to sign. Mr. Romero addressed the board about the negotiating process and his appreciation of the committee, board members, District Attorney Jennifer Jones, and Chadd Mudd and David Brucchaus during the negotiating process. He stated once everything is complete we will be partners for seventy (70) years. District Attorney Jennifer Jones explained that the Port was acting within their scope of authority and the document was legal. She stated the concerns she had with the document regarding the excavation on port property and navigational waterway and if it will have implications concerning ownership. She requested the Port request an opinion from the Office of State Lands and the Attorney General Office to receive a written opinion on whether it would remain a private waterway. She also stated that the letter agreement and her comments were confidential and could not be released to the media. Mr. Romero thanked District Attorney Jones for her comments and concerns and addressed them with the board and committee members. The board agreed not to request an opinion from the Office of State Lands or the Attorney General's office. Mrs. Miller, Mr. Savoie and Mr. Wilkerson thanked Mr. Romero, committee and board members, and Port Director Clair Hebert Marceaux for a job well done. Discussion and Public Comment followed.

On the motion of Mr. Romero, seconded by Mr. Wilkerson and carried the board agreed to approve the letter of agreement with Venture Global LNG that will cover the option of lease agreement and give the President authority to sign.

There was no New Business to discuss.

The next regular meeting will be scheduled sometime in the future pending CO-VID-19 pandemic.

There being no further business and upon motion of Mr. Dupont seconded by Mr. Romero and carried, the meeting was declared adjourned.
