To our valued customers and suppliers,

We are pleased to announce that we are about to undergo a dynamic and positive business change. You're about to receive the same great service you're accustomed to receiving from Hydraflow-Pumptech Fluid Power Inc., just under a new name!

Hydraflow-Pumptech Fluid Power Inc., a value-added fluid power distributor and service facility since 2010, will be changing its name to **The Fluid Power House (Toronto) Inc.** effective **June 1, 2018**. This change is to help enhance The Fluid Power House brand and better symbolize our above standard distribution and quality repair capabilities in North America.

Please be assured that you will continue to receive the same on-time deliveries, fast and responsive service and dedication to excellence that you've come to rely on.

**\*All business address and contact information that you currently have on file will remain unchanged. \***

You'll begin noticing our name change soon on all our mailings, packaging, invoices, and promotional materials. To help with the transition, it would be greatly appreciated if you could bring this great announcement to the attention of your accounts payable or accounts receivable department and direct them accordingly.

Warm regards from the team at **The Fluid Power House (Toronto) Inc.** (previously Hydraflow-Pumptech).
