Welcome to Year Nine of the Dreamers, Visionaries & Leaders (“DVL”) Legacy Scholarships Program. We are delighted to once again, present awards to outstanding students who are residents of the High Desert. The DVL Scholarship Project has awarded over twenty thousand dollars in scholarships since 2014!

Thanks to the generosity of our Donors, our program has grown to nine scholarship categories with award amounts ranging from $500 to $1,500. Scholarships are awarded directly to the student to use as she or he may need to begin or to continue their college education.

The DVL Legacy Scholarships are Namesakes and are awarded in memory of five individuals and past and present DVL Honorees who made major contributions to the High Desert Region during their lifetimes. They are:

Application Forms:

We developed application forms for each application. Each application form now provides specific instructions, which students should read carefully, for writing the original essay for that Honoree/Namesake’s scholarship. Students are reminded that the required essays are to be original to that application, not “recycled writings” from other scholarship or college applications.

IMPORTANT: Applicants will read brief details in the application form about the Namesake of the scholarship award and his or her contributions. Students then will determine which Namesake’s description best reflects his or her own interests and inspires aspirations for future study or career plans.

Students may apply for only ONE (1) DVL Legacy scholarship. Multiple applications will cause applicant to be disqualified. It is strongly recommended that students carefully review and select which application they are best suited.

DVL accepts applications and awards the scholarships regardless of race, ethnicity, gender, disability, or social or economic class or religious affiliation.
Please note: The Anna Sugi Scholarship for Young Women is available to female students only. All other scholarships are open to all genders.

Selection Process

A highly experienced and diverse group of Selectors will review the applications and select the student who best represents the ideals and vision of the DVL Legacy Namesake in that category.

Students may apply in ONLY one category. A virtual interview may be scheduled. This is at the discretion of the Scholarship Selection Committee.

Legacy Scholarships: Requirements

The following application requirements apply to all Legacy Scholarships. Students, however, are strongly advised to read each application form carefully to ensure that they understand and follow any specific directions for that scholarship.
