

DESIGNER BAG

Works as a mobile showroom that can easily be taken along for client meetings

Features

- The new Designer Bag offers an easy to carry shoulder bag consisting of a wider range of TAG Hardware product samples.
- It now incorporates Leather & Fabric Swatches, a Symphony Sample, and Decorative Hardware and Finish Samples.
- The latest Designer Inspiration Book is also included for easy reference to application photos and product numbers
- Designer Bag is available to upgrade your current Display to include all the new components shown below
