COVID-19 PROTOCOLS

AS OF 6/12/2021

We are pleased to invite clients to enter our building again during their pet's appointments.

Masks are required in our building regardless of your vaccination status, in keeping with the state requirement for medical facilities.

To help the flow of traffic in the building, please call us (908-439-2470) from the parking lot when you arrive for your appointment. We will let you know when we are ready for you to enter the building.

“Curbside” service is also still available for clients who prefer not to enter the building or who choose not to wear a mask.

As always, if you are not feeling well or have been exposed to a COVID-positive person, please reschedule your appointment.

PRESCRIPTION PICKUP: Please call ahead so we will know when to expect you. We will place your item in the outside pick-up area next to our front door.
