Dinner Meeting with Speaker and Networking

6:00 pm – 9:00 pm – Hilton Garden Inn, 50 Raritan Parkway, Edison, NJ 08837

Sylvia Allen, Founder and CEO of Sylvia's Children, will share her success founding and running Sylvia's Children.

When I asked her about who should attend this event, she answered "anyone that wants to succeed, whether in profit or non-profit."

Allen, who has run her own PR firm, Allen Consulting, for the last 35 years, has also been successful in building a model school in Uganda. Single-highhandedly she has raised over \$700,00 and built a library, teacher's housing, medical clinic, well, chicken farm ... the list goes on and on. Learn how one person can make a difference.
