EXCITING NEWS FROM MINNESOTA!

Today, AARP Minnesota and Pollen Midwest announced Minnesota's first-ever 50 Over 50 list celebrating people who have made to their community and state. Today, they told Minnesota it's time to recognize that possibilities shouldn't be limited by age. That it's time to change the stories we tell ourselves about aging. That it's time for a new list.

Guess who got it for community development! First two don't count!

I am very excited to share this with you because (as most of you know) I have worked very hard in Aitkin, Minnesota to make a difference. Nice to know it was recognized!

Head on over to 50Over50MN.org to see the full list and learn more about the honorees. You can also read Pollen's feature story at <http://bit.ly/50Over50MN>.
