

LED Brick Step Lights

4 Watt 120V LED

Nora's new LED Brick Step Light can be used indoors or outdoors to efficiently illuminate a change in elevation, provide a path of light, light a staircase or act as a safety night light. The architectural louver and shroud die-cast aluminum face plate creates a beautiful non-glare source of LED light to guide the way.

FEATURES

- 24 LEDs for even illumination
- 4W total consumption
- 2925 Kelvin temperature
- Die-cast aluminum face plates
- Integrated, embedded driver
- 120V
- cULus Listed and IP65 Rated for Wet Location
