## **WHY JOIN COBWRA?**

The answer to that question is too long to include here, but a major reason is **COBWRA** is the *ONLY* organization working to continually maintain and improve the quality of life in West Boynton—and your community can be part of that effort.

- ***COBWRA proposes bills to legislators to help COAs and HOAs !***
- ***COBWRA advocates for **good** legislation and against **bad** legislation!***
- ***COBWRA keeps associations up to date on what's happening in the greater Boynton area!***
- ***Many COBWRA people serve on county boards and commissions!***

Browse through the COBWRA website, in particular our mission, history and accomplishments, for a thorough view of membership benefits.
