Subject: Letter of interest and support for the Interreg 2 Seas SOLARISE Project

To <solarise partner>

With this letter we, < ambassador name>, would like to express our interest in and support for *the Interreg 2 Seas SOLARISE Project* addressing the implementation of smart solar solutions in small and mid-size municipalities towards the increase of the share of renewables in the energy mix, the enhancement of energy efficiency and the reduction of CO2 emissions. We are fully aware of the importance of the project and look forward to its results.

As <ambassador type>, we ... <include argument to project goal>... and therefore intend to install appropriate technologies to make use of solar energy in future activities and projects. Our decision making in such projects and activities may be supported and enhanced by the SOLARISE project results and by closer cooperation with the SOLARISE consortium.

<ambassador name> wishes to participate in this project as *an ambassador* aiming at:

- Getting more insights into smart solar energy solutions from the SOLARISE project
- Keeping updated in the relevant pilot set-ups developments and evaluations
- Being involved in the solar roadmaps development and solar training activities

We have great confidence in the impact and significance of the expected outcomes of the SOLARISE project and are looking forward to our cooperation with its consortium.
