

ST PETER AND THE WATERFRONT: OUR IMPACT

POP ideas is a Plymouth City Council funded service that provides advice for small, large, new or established voluntary, community and/or social enterprise organisations in Plymouth. It offers funding advice, project and business planning support, training, signposting and resource sharing.

POP ideas is delivered by POP+ and Iridescent Ideas CIC. POP+ aims to reach across the city to unite community and voluntary services and get their voices heard. POP+ creates networks so community groups can work together more effectively.

Iridescent Ideas CIC is a social enterprise that provides business support to a range of social economy organizations. POP ideas is funded by Plymouth City Council via a contract held by POP+.
