Behaviour for Learning

ACHIEVING HIGH STANDARDS OF BEHAVIOUR: 'Work hard and be nice to people.'

At Kings we teach, model and value positive social and academic behaviours, all of which are framed by our mantra: 'Work hard and be nice to people'. We hold all students to the same high standards of behaviour which are maintained within the classroom, around the school and within the wider community. We use a combination of positive and negative reinforcement strategies to ensure Kings is a happy, safe and effective learning environment for all children and adults. In instances when a student's behaviour is less than ideal, we aim to understand the context in which it has happened -- classroom, friendship groups, family life, the wider community, etc. – so that students can reflect and make the changes necessary to behave more appropriately next time.

Behaviour, therefore, is not viewed in isolation and there are clear links with other systems and policies in and out of school:

- Teaching and Learning
- SEN and Inclusion
- Anti-bullying
- Equalities
- Safeguarding, including allegations
- Complaints

ROLES AND RESPONSIBILITIES

Principal

The Principal is responsible for determining the measures to be taken to meet the principles of the Behaviour Policy. The Principal will:

- Put in place a management structure for all staff, with a clear description of roles and responsibilities to address behavioural issues, which is communicated effectively.
- Promote the positive ethos of behaviour policy principles and challenge discriminating practice.
- Ensure the curriculum includes measures to improve the social, emotional and behavioural development of children across the whole curriculum.
- Provide training, mentoring and consultation opportunities for all staff about behaviour and social/emotional development.
- Ensure participation by all members of the school community in all aspects of school life.

Staff

School staff will implement this policy, applying it consistently and fairly. They will share in the process of review and communicate any ideas for improvement to the school's Senior Leadership Team.

Students

Students will continue to play a major role in shaping the policy through the student leadership structure and PSHE lessons. All students will be clear about classroom, corridor and playground expectations presented in our 'We are here to learn so we' which clearly defines our expectations of all of our students:

We are here to learn so we...

- 1 Arrive to lessons on time and ready to learn
- 2 Arrive fully equipped with homework completed
- 3 Use polite and professional language
- 4 Complete all work set to the best of our ability
- 5 Keep phones and headphones away and out of sight
- 6 Work in silence when asked

At Kings we
RESPECT
each other so we ...

Walk rather than run
Speak rather than shout
Use appropriate language
Are considerate of other people

Parents and Carers

Parents and carers will contribute to the policy through the parent forum. The school's behaviour policy is available on the school website. Parents will sign the *Home School Agreement* to indicate that they have understood the principles of the behaviour policy and fully support the school in its implementation. Parents and carers must notify the school of any change to their contact details when this occurs to ensure that they (or a designated responsible adult for an emergency) can be contacted at any time during the school day.

PROMOTING GOOD BEHAVIOUR

At Kings College we believe that good behaviour needs to be modelled and taught. All staff (including support staff) have access to a range of CPD opportunities to develop their behaviour management strategies and skills. Suggested strategies for promoting positive behaviour are regularly reviewed and discussed. We encourage staff who are experiencing difficulties with individual or groups of students to discuss and share ideas. We ensure that all supply teachers are provided with a summary of our behaviour policy and recommended strategies for promoting good behaviour.

We recognise the need for good behaviour to be ‘taught’ and ensure that appropriate behaviour is discussed within the whole curriculum (assemblies, tutor time, PSHE etc.) as appropriate. We also ensure that students new to the college (whether Year 7s or newly arrived students) are fully inducted into the expectations of the college and that they understand the behaviour policy.

REWARDS

Kings College believes that rewarding desired behaviour is more effective than sanctioning unacceptable behaviour. The college positively encourages and rewards behaviours including but not limited to:

Showing kindness to others	Working hard to improve
Excellent attendance	Excelling academically
Trying a new challenge	Representing Kings within the Community
Working well as part of a team	Volunteering at a Kings event
Leadership	Excellence

Students at Kings are also rewarded in a variety of ways. Whilst we believe that the best rewards are intrinsic and the ultimate reward is a good education, we understand the importance of recognising and rewarding students who go above and beyond.

These rewards include but are not limited to: Lesson Reward Cards, House Points, Student of the Week, Most Improved Student of the Week, Subject Post Cards, letters home, attendance prizes, Principal’s Excellence Awards, and Annual Academic Awards.

DISRUPTIONS TO LEARNING

We hold all students to the same high standards of behaviour in all classrooms so that every child has the opportunity to learn. We aim for our expectations to be explicit so that students are clear on what is expected of them and so all staff manage student behaviour in a consistent way.

Subject teachers are fully responsible for the behaviour within their classrooms and are expected to follow and enforce the school’s behaviour policy when dealing with any instances of poor behaviour. Teachers will facilitate a positive climate for learning every lesson and will plan lessons to engage students in learning that is appropriately challenging for all students. If a student chooses to disengage with their learning opportunities and/or disrupt the learning of others, the teacher must apply sanctions according to this policy.

In lessons, teachers will use the ‘Traffic Light’ system to communicate to a student when they have misbehaved. Students begin each lesson on ‘Green’ and are expected to adhere to routines, listen attentively, engage with learning opportunities, complete their work to the best of their ability and demonstrate good manners. If a student misbehaves (e.g. calling out, talking over the teacher, etc.) they are verbally issued a ‘warning’. If they misbehave again they are issued amber or ‘final warning’. On a third instance of misbehaviour they are issued a ‘red’ and removed from the lesson by a member of the SLT. Any student who reaches ‘red’ must complete a detention from 1-5pm on the same day (following day if the ‘red’ occurs towards the end of the college day). Parents will be notified before keeping a child until 5pm.

Other consequences which may follow more serious breaches of the school's Behaviour for Learning 6 include:

- *Confiscation of mobile phone on arrival to school*
- *1pm – 5pm detention*
- *A day spent in isolation with a member of the SLT*
- *A day spent at off-site provision (e.g. in isolation at a different school)*
- *A fixed term exclusion*
- *A direction to off-site provision*
- *A permanent exclusion*

RESTORATIVE APPROACHES

In some instances, restorative approaches to behaviour may be used in the college and are based on four key features:

- RESPECT – for everyone by listening to other opinions and learning to value them
- RESPONSIBILITY - taking responsibility for your own actions
- REPAIR – developing the skills within our school community so that its individual members have the necessary skills to identify solutions that repair harm and ensure behaviours are not repeated
- RE-INTEGRATION - working through a structured, supportive process that aims to solve the problem and allows young people to remain in mainstream education

Restorative approaches to behaviour puts repairing the harm done to relationships and people above assigning blame. It does not rule out sanctions, but recognises that sanctions alone do not always work.

COVID-19: Any pupil who commits serious or persistent breach of the new Covid-19 protection rules may be sanctioned by the Head Teacher using the full range of sanctions available, dependent on the seriousness of the breach, up to and including in extreme cases permanent exclusion.

LATENESS TO LESSONS

If a student is late to a lesson they received a 15 minute lunch-time detention. If a student is late to lesson two or more times in a day they are issued a 1-5 detention. If a student is later than 10 minutes to a lesson they are issued with a 2 hour detention for truancy.

LATENESS TO SCHOOL

If a student is late to school they must complete a 10 minute detention at Brunch. Where students are persistently late, further sanctions will be applied. For instance, if a student is late to school 3+ times in a module, they will complete 30 minute afterschool detentions for each subsequent time they're late and parents will be notified. If a student is late 5+ times, the detention escalates to 60 minutes after school and a parental meeting will be arranged.

EQUIPMENT

Students need to arrive at school equipped to learn. We expect all students to arrive every day with a schoolbag, their books for the day and a fully stocked pencil case. If a student fails to bring suitable equipment to school then they will receive a behaviour log and must complete a 15 minute detention at lunch.

Required equipment in pencil case: two blue/black pens, pencil, rubber, sharpener, DART pen (provided by school), ruler, calculator, glue stick, highlighter(s), scissors (rounded only).
COVID-19: Students are not to share equipment with each other or from the teacher and therefore must purchase own.

HOMEWORK

Homework is issued every lesson, every day (except Core PE). If a student fails to complete a piece of homework they receive a behaviour log and must complete a 30 minute detention after school on the same day (next day if issued Period 3). If a student fails to complete 3 pieces of homework in one half-term they must complete a week of homework detentions to help support their learning.

INSUFFICIENT WORK COMPLETED IN LESSONS

If a student fails to produce enough work in the lesson, the teacher will expect the student to complete a detention in which the student will complete any work not completed in class. If a student fails to attend the detention with their teacher, then they will receive a two hour detention in 013.

Students who are unwell or injured are still required to wear the correct kit and help referee. Any student who wishes to be excused from participating in a PE lesson due to an injury must have a note from their parent/carer.

Standard of Dress

At Kings we take a pride in our school and appearance and expect all students to arrive in and maintain a certain standard of dress. The school reserves the right to uphold the dress code, which may include sending students home to change or isolating students within the school.

Piercings- restricted to one small stud in each ear lobe, no other piercings are allowed and students will be asked to remove them upon arrival even if they may 'close up'. No jewellery is permitted during PE lessons; all studs will be expected to be removed.

Nails – natural tones, no bright or garish designs. False nails are not permitted and students will be asked to have them removed and will be issued with lunchtime detentions until this takes place.

Hair - Natural colours only (no bright reds, pinks, blues, etc.). Students who arrive at school with hair dyed an unnatural colour will incur sanctions.

DETENTIONS

Kings runs a centralised detention system. If a student fails to attend any 15 minute lunch detention they must complete a 30 minute detention after school. Same day detentions will be communicated to parents via text message or a phone call in more serious instances. Students will be expected to attend a detention on the date and at the time set. However, the college will endeavour to respond positively to parents when a request is made for a deferment due to a valid, reasonable commitment (e.g. medical or dental appointment).

EXCLUSIONS

Kings College is committed to using exclusion as an absolute last resort after other sanctions have been exhausted. Permanent exclusion is extremely rare. Where exclusion is used the college conforms to the Surrey CC and DfE Guidance.

If a student is excluded for a period of less than 5 days the college will provide work, most often online via SAM Learning, MyMaths, etc. – it is the parent’s responsibility to ensure the student completes the work and returns it to the college for marking (NB parents can be fined if students are found in a public place during an exclusion). From Day 6 of exclusion students will be expected to attend the alternative learning venue as directed. In the event of a permanent exclusion the LA will contact parents with details of the Day 6 provision.

Reintegration interviews are considered to be a vital part of the reintegration process and provide parents, the student and key college staff with an opportunity to reflect on what has happened and to plan any additional support which may be needed to ensure a student’s successful readmission. If parents do not attend a scheduled reintegration interview additional measures may be taken to facilitate their full participation in the process.

Permanent exclusions are extremely rare and only used when the college has exhausted all other strategies. Wherever possible the college works with other local schools to facilitate Managed Moves or a referral to alternative provision which may make permanent exclusion unnecessary (see exclusion policy).

PARENTS

Kings College aims to work in partnership with parents at all times. Parents are expected to support the College in upholding the College Rules and creating an orderly climate for learning. They have the right to be informed promptly of any emerging difficulties their children present. They have particular responsibilities in ensuring regular and punctual attendance at college and in ensuring their children are in the right place during any fixed period exclusion. Parents are expected to attend a Reintegration Interview following any fixed period exclusion.

Staff at Kings College have the right to regulate student behaviour and to impose disciplinary sanctions when students fail to observe the College Code of Conduct or other rules and regulations. The college seeks to work in partnership with parents/carers at all times and expects them to support the college in creating a calm, ordered environment where teachers can teach and students can learn. All parents/carers sign the Home/College Agreement when their child starts at Kings College and in doing so agree to support the college in the implementation of the Behaviour Policy.

ANTI-BULLYING

Kings College is determined that all students should feel safe at College and enjoy their education. A key feature of this is the strong stance taken against all forms of bullying. The college’s policy on anti-bullying can be found in the Anti-Bullying policy.

SMOKING

Smoking is against the law in public buildings. Students caught smoking on site, will automatically be sanctioned with an exclusion (half day external + half day internal 1-5). Smoking in the vicinity of the school while wearing school uniform is treated in the same way as smoking on site because it brings the school into disrepute.

RACISM

Any instances of racist remarks or behaviour will be dealt with swiftly and assertively. Sanctions will be determined on a case-by-case basis. Incidents will be recorded in the ‘Racist

Incidents Log' which is monitored by SLT and all incidents will be reported to the Local Authority via the annual data collection system.

BEHAVIOUR OUTSIDE OF COLLEGE

Students are expected to uphold the reputation of the college whenever they are out of school. This includes but is not limited to taking part in an official college trip/outing or wearing their uniform to and from college. Students will be subject to disciplinary sanctions if their behaviour brings the college into disrepute or has repercussions for the orderly running of the college.

Kings College cannot be responsible for student behaviour when they are out of college but will endeavour to investigate any incident which is reported to the college. The college will always co-operate with the police in any investigation of incidents which are thought to involve Kings College students.

USE OF FORCE

At Kings College, staff are discouraged from touching students because this can be misinterpreted. However, we aim to provide a supportive environment and it may be appropriate from time to time to lightly touch a student's upper body in order to guide or reassure. In accordance with the Education and Skills Act 2006 all staff may on occasion need to control or in extreme circumstances restrain a student in order to ensure that they do not:

- Hurt themselves
- Hurt somebody else
- Damage property
- Prejudice the good order of the college.

In the event of this requiring anything other than a light touch to the upper body an Incident Report form will be completed and parents informed. If a student requires restraint parents will always be informed and a full debrief of student and staff involved will be held.

SCREENING AND SEARCHING

Staff reserve the right to screen students for banned objects – this may involve asking students to turn out their pockets or bags. It may occasionally be necessary to search a student with their consent. This will only be done when the college has reasonable grounds to believe a student may be carrying illegal, stolen or prohibited items.

- Searches will be carried out by the Senior Leadership Team
- Searches take place out of sight of other students
- Suspicion may be aroused:
 - As a result of a positive screening
 - Because a student is acting suspiciously (e.g. attempting to hide something)
 - As a result of a 'tip off' – by a parent/carer or another student
 - Because of something said by the student

- There will always be two members of staff present when a search takes place. One member of staff will be of the same sex as the student.
- Students will **NOT** be frisked or asked to remove clothing other than outerwear but they may be asked to remove their coats, turn out their pockets and bags and lift up their trouser legs to reveal their socks.
- Throughout the screening students will be talked to and reassured that there is no threat to them and that they have nothing to fear if they are not carrying anything.
- If students refuse to be searched or if they abscond the Police will be informed. If students become abusive or threatening the search will be stopped, the student isolated and the Police called.
- All searches will be logged
- Parents/Carers will always be informed, usually by the Pastoral Lead if a student has been searched and the result of that search.

Students will not be searched without their consent – if the college has reason to believe the student requires searching and he/she refuses consent the PCSO/Police will be called and parents/carers informed.

CONFISCATION AND DISPOSAL

Staff at Kings College have the power to confiscate any item which is illegal or banned from college. The following items are banned from the College:

- Aerosol cans including deodorants and perfume sprays
- Any items to be sold
- Weapons, imitation weapons or offensive objects
- Offensive literature
- Any form of smoking materials, matches or lighters
- Alcohol of any kind
- Any illegal substances
- Energy drinks, high sugar foods or similar items
- Any other banned items.
- Valuable items or large sums of money should not be brought into college unnecessarily

In most circumstances staff confiscate items which are banned from college and return them to students at the end of the day. However, on occasions this will not be appropriate and in those cases the following principles will apply:

- Illegal items (weapons or substances) will be handed to the police
- Legal but banned consumable items (tobacco, alcohol, sweets or foodstuffs (eg chewing gum) will be disposed of.
- High value items (£20+) eg mobile telephones, MP3 players etc, which are confiscated will be held securely until a parent/carer makes arrangements to collect them.
- Low value items may be disposed of.

ALLEGATIONS

Any allegation of misconduct against a member of staff will be taken seriously and referred to the LEO and LADO and dealt with using the Surrey procedure. Pastoral support will be offered to any individual against whom an allegation is made and the matter kept strictly confidential. If the allegation is against the Principal, the Chair of Governors will be responsible for referring the matter. In the event of an allegation proving unfounded or malicious the matter will be referred to the Governors' Discipline Committee for action. Staff are advised to familiarise themselves with the Government Guidance on Safer Working Practice in order to minimise the risk of allegations being made.

STUDENTS REQUIRING ADDITIONAL SUPPORT

Kings College recognises that some students require additional support in order to conform to the expectations of behaviour of the college.

Students who require additional support may be:

- Offered support from a tutor/pastoral leader/SLT with individual targets which will be regularly monitored. These may be recorded on a Report card or an Individual Behaviour Plan or a Pastoral Support Programme
- Referred to the SENCO for an assessment of their needs (see SEND Policy)
- Referred for a multi-agency assessment
- Referred or directed to alternative education provision

The College will regularly review all students who are referred for additional support in order to ensure that their needs are being met. Where inadequate progress is being made, the college will consider what else may be available both from within the college and from a range of outside agencies with whom the College has contact (e.g. CAMHS, Social Care, Education Welfare Services).

DATA

The College collects a range of behaviour data including:

- Exclusions
- Attendance and punctuality
- Incidents and sanctions logged on SIMS or behaviour management system

Data is analysed at individual student level by Form Tutors, the Pastoral Lead, Heads of Department, and the SENCO and is used to inform referrals to school based interventions, IEPs and referrals to outside agencies.

Data is analysed on a whole college basis by the SLT to monitor trends and performance against targets and to inform changes in policy and procedure. Data is also monitored to ensure the college meets its statutory duties with regard to the Equalities Policy.

Data is presented to whole staff meetings, SLT meetings and Governors in order to support the evaluation of the impact of the policy.

ROLES & RESPONSIBILITIES

All staff play an important role in positive behaviour management and discipline.

Form tutors and class teachers will, in the first instance, manage the behaviour of their students. If behaviour continues to be poor, Heads of Department and/or Pastoral Leads may be asked to support. The Strategic Leadership Team within the college will support all staff in ensuring a positive learning environment for all pupils.

REVIEW AND EVALUATION

This policy is subject to regular review and evaluation by:

- Governors – through Governors reports and meetings, analysis of data and through discussions with SLT
- SLT – analysis of behaviour data
- Staff – questionnaires and staff meetings
- Parents – via the website and via questionnaires
- Students – as part of the student voice programme
