

Weekly Update for Class 3

Week beginning 27th September 2021

This week we have finally been able to welcome external visitors to our school.

On Wednesday, we had a workshop on Keeping Well and Safe led by Leeds School Wellbeing. Debbie talked to the children about the importance of hygiene, how to recognise signs of illness or infections and what to do when we are ill.

In Celebration Assembly, Nathan from St. George's Crypt came to talk about the work they do at St. George's and to thank the Harewood community for the Harvest, very generous, donations. Thank you all for your kindness.

In class, the children are working very hard. They are settled quite well in their routines and are already producing some lovely work.

In Maths, we are working on Place Value and practising times tables skills. It would be useful for your child to spend some time practising times tables on TTRS website (their logins are in their Reading Records) or on timestables.co.uk.

Our children love reading Danny the Champion of the World and discover more about the language and structure of our class text.

The work in spelling, although quite challenging, particularly for the year 4 children, is going well and we are very proud of our children's resilience in practising words that are very complex to spell.

We have learned more about the Romans, the origins of the Roman Empire and we have finally completed our shields. In the afternoon, we marched and practised the Roman *testudo* formation. The children did a fantastic job.

Dates for the diary

Wednesday 6th October: School photographs

Wednesday 13th October: NHS Flu Immunisation

Have a lovely weekend and I look forward to seeing you next week.

Mrs. Wright
