

You have to deliver some training. You know your stuff, but you're worried that the delegates won't engage with the material. This session will show you how to deliver the holy grail of training; effectively delivering change while also making it enjoyable for everyone involved – and that includes the trainer.

## Learning Objectives

By the end of the session, you will understand how to:

- set up and manage any room for training
- engage your delegates with the right activities
- use visuals effectively
- manage the format to prevent fatigue
