c. The three most valuable lessons I have received personally from the mentoring sessions are:

i. The importance of reviewing your trading statistics and analysis.

ii. The importance of consistency in your trading even when in a drawdown.

iii. The importance of keeping track of changes in your life because they can impact performance without you knowing.

3) Trading results:

a. I am seeing a positive change in my trading results because of the NT program.

1. Yes

b. I attribute the positive change in my trading results to:

1. Mentoring

ii. The lessons are great for giving information and creating awareness around things you didn't know before. However mentoring is more helpful because your mistakes are pointed out, explained and you are given instantly actionable solutions and exercises to fix flaws.

iii. (Add comment)

4) GENERAL FEEDBACK:

i. What would I like to see in the NT program that would improve the effects for myself and other traders starting the same peak performance journey?

1. Mentoring sessions. I understand they take up a lot of time for you but they are extremely helpful.

Also some exercises to help build technical skills would be great.
