4) GENERAL FEEDBACK:

i. What would I like to see in the NT program that would improve the effects for myself and other traders starting the same peak performance journey?

1. So far the course looks promising. The real trade based on NT program not started yet. At the moment no improvement suggestions.

2. Click or tap here to enter text.

3. Click or tap here to enter text.

5) TESTIMONIAL

a. Having completed this first phase of the NT program, please write a testimonial for other traders in the space provided below.

1. I have a feeling that Ken is really helping me to improve my performance and to become a peak performer. 10 lessons what is included in the program is a must subjects I am going to share within my family because of its value.
