5) TESTIMONIAL

- a. Having completed this first phase of the NT program, please write a testimonial for other traders in the space provided below.

- a.i.1. NT program is helping me change my life and my trading results. The Program gives you access to professionals in mindset and trading the markets all in one, and both are imperative to becoming a successful person and trader. I'm seeing myself become a more mature and competent person as well as a better trader thanks to this program.
