MESSAGES FROM KEY SCHOOL BODIES

From the School Board:

The School Board met five (5) times in 2018. The 2018 school year had two changes to the composition of the school board. Mr John Fearne, who had been a school board member since 1989 resigned, and Mr Christopher Brockman was added to the school board. The school replaced a primary teacher that moved to Melbourne, and a part-time teacher in high school resigned due to a change in family circumstances.

The school population remained steady throughout the school year, and we had one of our largest groups of Year 12 graduates. For the first time in the school's history we had a Year 12 graduate receive a full scholarship from the University of Technology, Sydney.

The school board would like to thank the school staff for their tireless efforts and devotion to the school and students.

VALUE ADDED INFORMATION

From the Headmaster:

The 2018 school year was a year of stability and growth for the school population and staff. The school continued to enhance its technical abilities by incorporating additional ICT in teaching units. The school continued to use the Keylinks Literacy Program to enhance its Literacy units for K-2 students. The school has also incorporated, Reading Eggs, Mathletics and Literacy Planet for the students in Primary and for students with special needs.

The school incorporated additional security procedures for the school grounds in response to some concerns from the parental body.

All staff also undertook Child Protection Training in July to understand their obligations and changes to procedures.

The major event for the year was an inspection by NESAs. The school received the highest recommendation for renewal of registration, which was for 5 years.

Lastly, I would like to thank the staff, students and parents of the school for their continued dedication to the school. The staff is deeply committed to providing a quality education in a caring environment.

CONTEXTUAL INFORMATION

Sherwood Hills Christian School provides a caring, comprehensive and high-quality education for all students. We have been in the Bradbury area for 39 years and are co-educational for years K-12, and offer a Senior program of study geared towards University Preparation and the SAT test. The school's academic methodology recognises that students learn in a variety of ways and therefore all students are engaged in one-on-one and face-to-face teaching. We use a combination of the Accelerated Christian Education (ACE) program, as well as Board of Studies' approved curriculum. The school's ethos is to develop each student to their full potential, educationally, emotionally and spiritually. We cater to approximately 145 students with a high teacher-to-student ratio and a high level of one-on-one teaching. We maintain a high level of discipline in the student body, and place a high emphasis on Christian education. [Visit the school website.](#)

Sherwood Hills Christian School provides a school based Year 10 and a school based Year 12. Both certificates are accepted by TAFEs, colleges, apprenticeship providers and Universities as evidence of completion of studies at a Year 10 and Year 12 level. Students in Year 12 undertake the Scholastic Aptitude Test (SAT) and that result is sent to the University Admissions Centre and is converted to an ATAR for university entrance purposes.

ENROLMENT AND EXIT POLICY

Sherwood Hills Christian School is a comprehensive, co-educational K-12 school providing an education underpinned by Christian values and operating within the policies of the NSW Education Standards Authority. All applications will be processed in order of receipt and consideration will be given to the applicant's support for the ethos of the school, siblings already attending the school and other criteria determined by the school. Once enrolled, students are expected to support the school's ethos and comply with the school rules to maintain their enrolment.

Sherwood Hills Christian School was established and exists primarily to provide Christian Education for members of Sherwood Hills Baptist Church, members of churches of like faith and practice and Christians who attend Christian churches that can support the principles of the school. SHCS seeks to provide places for children of Christian families in the following categories:

1. The dual parent family where both parents are committed Christians, active in their faith and local church.
2. Families where only one parent is a committed Christian but where both parents agree to a Christian education for their child.
3. Families where separation and remarriage may have occurred. These situations essentially would fall into either of categories 1 or 2 as stated above.
4. In some cases, neither parent is a Christian but the child is a Christian, cognisant of their faith and active in their profession of that faith.
5. Single parent families where the parent is a Christian or the child is a Christian, or both.
6. Other situations where the child may be in the care of a guardian who may be a Christian.
7. Situations where neither of the parents are actively practicing Christians but are seeking a Christian Education for their child(ren), often due to the fact that they were educated in a Christian or Church School.

In all of the above the school would conclude that in enrolling the child(ren), we are providing a service for these families and committing ourselves to the task of providing an education that is Biblically focused and academically relevant to our culture and society. At the same time complying with the regulations of government and statutory authorities as long as they are not in contravention of Scripture.

The school's Biblical beliefs and practices can be found at the end of this document.

From time-to-time the school may receive requests from non-Christian families to enrol their child(ren), as they recognise the value of what the school is offering. For whatever reason, the enrolment of non-Christian families must be undertaken prayerfully and with discernment. It is a prerequisite that the parents and the student are in agreement with the ethos of the school and do not oppose the principles being taught, nor the Biblical world view being espoused in our curricula. A clear understanding of these issues is vital for the effective partnership in the education of the child(ren) and it is therefore imperative that the school's Statement of Faith is accepted as the basis for the ethos of the school, as a condition of enrolment.

At all times it is an imperative upon the Headmaster and the School Board that the Christian Ethos of the school is not placed in jeopardy by the enrolment of children, where the children or family may directly oppose or subvert the objectives of the school.

In particular, families actively involved in or declaring membership or religions or beliefs/practices which are not in agreement with the school's Statement of Faith, including but not limited to, Buddhism, Islam, Hinduism, Mormonism, Jehovah's Witnesses, New Age Movement will not be enrolled. The discretion to refuse or annul enrolment remains with the Board or its delegate.

Should the parent or student/s cease to uphold the terms of the Statement of Faith or exhibit behaviour or conduct which is inconsistent with the Statement of Faith, or become a member of a group whose beliefs are inconsistent with the Statement of Faith, then the school reserves the right to terminate the enrolment of the child(ren).

Enrolment Procedures

1. All potential applicants must read the enrolment policy and the school's Statement of Faith before making an application.
2. All applications should be processed within the school's enrolment policy.
3. Applicants will have to attend an interview with the Headmaster
4. Consider each applicant's supporting statements/interview regarding their ability and willingness to support the school's ethos.
5. Consider each applicant's educational needs. To do this, the school will need to gather information and consult with the parents/family and other relevant persons.
6. Identify any strategies which need to be put into place to accommodate the applicant before a decision regarding enrolment is made.
7. Inform the applicant of the outcome.
8. If an enrolment has been approved, the family must provide a completed Student Application Form with accompanying student documentation listed therein, as well as parent/guardian signatures agreeing to comply with the school's policies and procedures.

Subject to availability, offers of a place will be made in accordance with the waiting list order. Continuing enrolment is subject to the student's adherence to school rules and guidelines as listed in school policies and payment of all school fees.

Exit Procedures

1. If a parent intends to remove his/her child or children from the school, they must provide written confirmation of their un-enrolment to the school office, in addition to scheduling an 'Exit Interview' with the Headmaster and completing the relevant school forms detailing the reason for departure and their transfer details (e.g. new school, tertiary education).
2. If a student is to be removed from the school due to expulsion or the like, written documentation must be provided between the student's family and the school providing details and reasoning of the removal. The relevant school forms detailing their transfer details (e.g. new school, tertiary education) must be signed and given to the school office.
3. The school must take all necessary steps to ensure that they are aware of the student's transfer details. If they cannot confirm these details, a letter must be sent to the Board of Studies and Liaison Office to report the unknown details of the student.

School Register

The School Register must be regularly updated with the enrolment and exit details of each student.

Waiting List Order

The demand for places at the School has necessitated the creation of a "waiting list" to fill vacancies in the school population as they become available.

In filling such vacancies, the following order of priority shall be applied:

1. Children of members of Sherwood Hills Baptist Church
2. Siblings of existing school families.
3. Children of parents who worship at a church of like faith and practice to Sherwood Hills Baptist Church.
4. Any other applicants.

All admissions to the school are subject to a satisfactory interview of parents and children by the Headmaster and the payment of the appropriate Waiting and Enrolment fees etc.

A fee of \$50.00 per family is charged to be placed on the waiting list. This fee is non-refundable. This amount will go towards your registration fee if the enrolment is officially accepted.

SHERWOOD HILLS CHRISTIAN SCHOOL STATEMENT OF FAITH

Please note this statement of faith is taken directly from Sherwood Hills Baptist Church's Statement of Faith.

We believe the Holy Bible was written by men divinely inspired and is all sufficient

There is one and only one living and true God. In the Unity of the God Head, there are three personalities, The Father, The Son and The Holy Spirit, each executing distinct, but harmonious offices in the great work of redemption.

All individuals by nature are sinners.

A Church by definition is a local congregation of immersed believers covenanted together for the purpose of carrying out the commission given by Christ.

Salvation of sinners is completely of grace (not works) through the Mediatorial Offices of the Son of God.

All persons will be eternally saved at the time they repent of their sins and trust Christ to save them personally. These believers will live in Heaven eternally with Christ.

All persons that reject the plan of salvation set forth by God in His Word shall be doomed eternally to hell.

Mission work is the responsibility of the local Church. Churches may cooperate together on an equal basis for carrying out this work. The Missionary must be sent and directed by one local Church. Other Churches may help support such a missionary, sent and directed by one on a purely voluntary basis.

Jesus Christ is the Son of God, born of the Virgin Mary.

The first day each week should be kept sacred for religious purposes.

The end of the world is approaching and we believe that Christ will come and awaken His children from the dead, change the living saints and call them up to meet Him in the air. After which will ensue on the earth a period of Great Tribulation. In Heaven, the Marriage of the Lamb will take place. After that, Christ will come to earth and establish His Millennial Kingdom and reign a thousand years over all the earth.

Baptism is the immersion in water of a believer by the authority of Christ. This authority is vested in a local Church or congregation of baptized believers. Baptism shows forth, in a solemn and beautiful emblem, our faith in the Saviour, with faith's effect, in our death to sin and resurrection to a new life.

Sanctification is the process by which we are made partakers of God's holiness. It is a progressive work begun in regeneration, carried on in the hearts of believers, by the presence and power of the Holy Spirit, and the Sealer and Comforter, in the continued use of the appointed means especially, the Word of God, Self-examination, self denial, watchfulness and prayer.

Baptism is prerequisite to the privilege of Church relations and the Lord's Supper in which the faithful members of the Church by sacred use of the unleavened bread and fruit of the vine are to commemorate together, the un-dying Love of Christ, preceded always by solemn self-examination.

RESPECT AND RESPONSIBILITY

The school places a high priority on instilling within students a sense of respect for their fellow students, their teachers, their parents and themselves. The school's PD program focused heavily on teaching students the importance of self-respect. Students are taught about the importance of taking responsibility for their own possessions and their own actions. Biblical Studies classes focus on the student as a whole and their ability to make their own choices.

The school wants all students to believe that they are important and integral parts of the school, home and society, and that they have talents in which they can contribute to the school and to society in general.

Through pastoral care and teacher instruction the students in the school overall seemed to grow in self-respect, and in their understanding of the importance of showing respect to others.

PARENT, STUDENT AND TEACHER SATISFACTION

The school maintains an open door policy for parents to make appointments to see the teachers or Headmaster without waiting for the prescribed parent-teacher interview time of the year. Parents are willing to be involved in whatever special events the school holds during the year. The school community was particularly supportive of our School Spring Fair, Book Fair, House Competition Days, Fundraising Days and Awards Night.

The staff of the school held regular meetings with the student body in which the students were permitted to put forward their ideas for school improvement. This was received well by the students and many useful ideas have come from these meetings.

Through informal feedback and formal staff evaluations the general information points to a staffing body that is generally satisfied with the school's working environment. The main area of concern is the ability of staff to adequately assist those students requiring greater one-on-one attention. Staff also commented on the need for greater access to technology, particularly in the Primary department. Staff satisfaction is a section of each staff members 6 monthly review. During the review process staff are afforded the opportunity to place in writing any concerns or ideas they have concerning their particular area of responsibility or the school as a whole.

A student and staff survey was conducted in 2014 and those results are publicly available on the school website.

A parent satisfaction survey was conducted at the beginning of 2016, and those results are available on the school website.
