Year 2 Term 4 2020/21

It's been great to have all the children back in class. We have had a lovely week and are looking forward to the rest of the time.

Please login to DOJO every week to see the amazing work that the children will be doing. I love to see your pictures of your children too if you want to share any learning they do at home.

Please remember you can also message me with anything you may want to ask or discuss.

Readers and Writers

For the rest of this term, we will be studying the Victorians and being historians. We will look at what is what like to live in Victorian times. What it was like to be a child in Victorian times and the jobs that children did.

We will also play some Victorian games.

In our morning reading sessions, we will be building our reading comprehension skills and be able to answer questions about texts. We will also continue to practise our retelling skills and be able to make predictions and inferences from our reading.

Mathematicians

For the rest of this term, we will be concentrating on learning about fractions. Fractions of

shapes and fractions of amounts. We will learn how to use concrete objects, pictorial representations, and mentally strategies to find a fraction of an amount. We will learn about $\frac{1}{4}$, $\frac{1}{2}$, $\frac{1}{3}$ and $\frac{3}{4}$. We will continue to learn our times tables for 2, 5 and 10.

	<p>This term we will continue to have Kindness in the classroom lessons. Where we will be discussing inclusiveness. We will discuss the connection between inclusiveness and kindness. Emphasize how including others requires kindness. We use our kind words and actions to make everyone feel welcome!</p>
	<p>For this term, children in Year 2 will be developing their ball skills and taking part in Basketball with Bristol Sport. The children will have PE every Tuesday.</p>
 <p>Homework</p>	<p>Please listen to your child read at home 5 times per week. This is the most important thing you can do to support learning at this age. Just 10-15 minutes per day makes a big difference! We will be checking yellow reading records weekly and changing your children's books.</p> <p>They will also be set Mathletics activities for them to access online at mathletics.com.</p>

Yours Sincerely,
Miss Riley
