

March 2020

Dear Parents/Carers,

Residential trips 2020

All residential trips for the rest of this school year will, as you are probably expecting, be cancelled.

We do this with a very heavy heart, because the independence, resilience and self-esteem our pupils develop during these trips are at the very centre of what we strive to achieve at West Lea. Obviously we have no other course of action in light of the current situation.

Any money you have paid towards your child's trip will be refunded in full. This may take a while to organise so please bear with us while the finance department work to get it back to you.

Thank you all for your understanding, co-operation and patience during these difficult days.

Yours faithfully,

Sue Tripp
Executive Headteacher
