

14th May 2020

Dear Families,

I am just getting back in touch with you following the recent announcements from government regarding education. As a school we have decided to follow these guidelines and will be opening for Reception, Year 1 and Year 6. In addition we will provide education, as we have throughout, for the most vulnerable and children of key workers.

We are carefully considering these next steps and are actively consulting with the Local Authority, staff and Health and Safety professionals to ensure that we expand our provision in the safest possible way. So that appropriate social distancing measures can be implemented, numbers of staff and pupils on site will need to be restricted. Our intention, will be to implement these arrangements with effect from Monday 8th June. We are looking at transition for Year 9s in July and will keep you informed.

Should your child fall into one of the groups mentioned above, then a member of the campus team will be in touch with you shortly to discuss your child returning to school. We will **only do this provided that the 5 key tests** set by government justify the changes at the time, including that the rate of infection is decreasing and the enabling programmes set out in the roadmap from the government are operating effectively. Please be assured that if your child is either not within the groups above or cannot return for any other reason, we will continue to provide support in terms of home schooling.

If you have any queries or concerns, as always, please do get in touch with me on:

Email: stripp@westleaschool.co.uk
