Reading

Read one of your home readers and write a summary of the story. Remember, when you're writing a summary you write about key events in order. I have complete a summary below for The Dragon Machine.

George felt unseen, ignored and overlooked, just like the dragons.
The dragons were causing trouble everywhere.
George needed to find a way to get them away.
George found information and made a dragon machine.
George released the dragons into the wilderness and he went home.
He got a dog.

Writing

Look at the following picture:

Can you write a paragraph describing the setting.
Can you include: lists of 3 adjectives, similes, powerful verbs and adverbs.

Try describing the volcano, the lava, the way it explodes, the sky...
What would it smell like? What would it feel like? Could you taste anything in the air?

Maths

Write the name of the 2D shapes, the number of sides and the number of vertices. Which shapes have a vertical line of symmetry?

Name: Number of vertices: Number of sides:		Name: Number of vertices: Number of sides:	
Name: Number of vertices: Number of sides:		Name: Number of vertices: Number of sides:	
Name: Number of vertices: Number of sides:		Name: Number of vertices: Number of sides:	
Name: Number of vertices: Number of sides:		Name: Number of vertices: Number of sides:	
Name: Number of vertices: Number of sides:			

Practice spelling the words:

Badge

Edge

Bridge

Dodge

Fudge

Spelling the 'j' sound using 'dge' when the 'j' sound is at the end of the word and the vowel in the word is making a short sound.

Spend ten minutes practicing and then get someone to test you. Can you put the words into sentences?
