How to make a fruit salad

Have you ever wanted to know how to make a fruit salad? If so help is at hand. Read these instructions and soon you will have an amazing healthy snack

What you need:

Oranges
Strawberries
Grapes
Bananas
Sliced pineapple
A knife
A large bowl
Small bowls
A spoon

What you do:

First, carefully cut the stalks off the strawberries, slice the strawberries into pieces and add them into the large bowl.

Next, cautiously cut the pineapple in chunks and add them into the large bowl.

Now peel the oranges, segment them into pieces and add them to the large bowl.

After that pull the grapes off the bunch, slice them in half and add them to the large bowl.

Then peel the banana, slice it into chunks and add it to the large bowl.

Finally, sensibly mix all of the fruit together with a spoon and scoop the fruit salad into the small bowls.

Then you can enjoy the your tasty fruit salad with your friends.

Maths

Show different ways of making totals to £1. Think about how you can make the tens and ones using different coins.

- 1) Show me three coins that make 75p and four coins that can make 75p.
- 2) A car park costs £2 but the machine does not accept copper coins. Show me three different ways I can make £2 without using copper coins.

Practice spelling the words:

Knock

Know

Knee

Gnat

Gnaw

Spelling the 'n' sound with silent 'k' and silent 'g'.

Spend ten minutes practicing and then get someone to test you. Can you put the words into sentences?
