Today we will be recapping the main events in Florence Nightingale's life and ordering them **chronologically**. Do you know what this word means? Can you guess?

Back

Next

The word **chronological** means putting events into the order in which they happened, starting with the earliest. These two pictures show different stages of Florence Nightingale's life. If we were putting these in chronological order, which would come first?

Which of these events happened first?

Florence arrives at the Scutari hospital.

Florence studies to become a nurse.

If we were to retell the story of Florence Nightingale's life, where would we start?

What would come next?

And after that?
