

Bottle Top Medals

You will need:

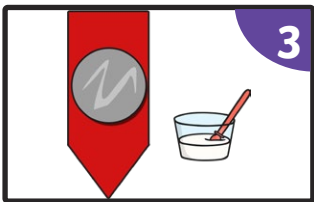

- silver foil
- milk bottle caps
- PVA glue
- sticky tape
- black felt tip pens
- safety pins
- red, purple and yellow card

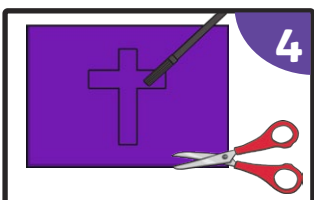

1 Choose a piece of coloured card and use a felt tip to draw a ribbon shape on the card, as shown above. Then cut out the card using the scissors.

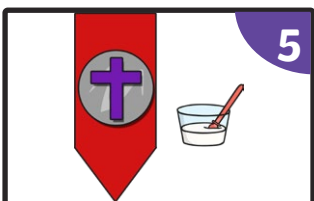

2 Cut out a piece of foil and cover one side in PVA glue. Stick the foil to the bottle cap so it is completely covered.

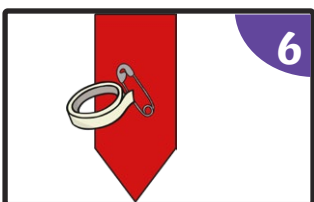

3 Stick the foil-covered bottle cap to the middle of your ribbon with PVA glue.

4 Draw a cross shape or a pattern onto a different piece of coloured card using a felt tip pen. Then cut it out with scissors.

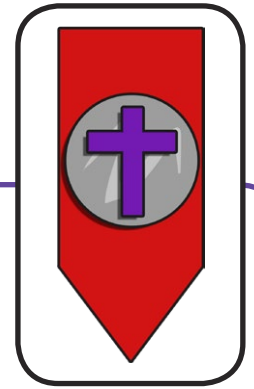

5 Stick the cross or pattern you have just cut out to the bottle cap using PVA glue.

6 Stick a safety pin to the back of your medal using sticky tape. Now your medal is ready to wear.
