Teaching Input		
<ul style="list-style-type: none"> Show children the characters on the slides and explain that they are back home now after their safari trip to Kenya. Can you remember some of the things we saw and did? Children to think, pair, share their ideas. Explain that since they have got home, they have been thinking about how different Kenya is to the UK. What do you think some of the things that are different might be? Invite children to share their ideas, then go through some of the pictures on the slides. 		
Main Activity		
<p><u>Lower ability:</u> Support children in reading the Information Sheet about a day in the life of a Kenyan child. Children to read the statements on worksheet 7a then sort them into the same or different columns on worksheet 7A.</p>	<p><u>Middle ability:</u> Children to read the Information Sheet about a day in the life of a Kenyan child. On worksheet 7B, children to list five things that are different about the Kenyan child's life and their own life and five things that are the same.</p>	<p><u>Higher ability:</u> Provide children with the Sequence Cards showing a typical day for a Kenyan child and a British child. Children to cut out the cards on worksheet 7D and stick them on worksheet 7C in order. When finished, children to answer the questions on worksheet 7C.</p>
Fancy something different...?		
<ul style="list-style-type: none"> Split the class into groups and provide each group with one of the Challenge Sheets. Children to look at the photos for the area they are comparing (e.g. homes, food, clothes, farming, etc.) and ask them to find as many things that are similar and different as they can and list on worksheet 7E. When all groups have finished, invite a child from each group to present what they have found out to the rest of the class. What do you think the biggest difference between life in the UK and life in Kenya is? Why? Discuss ideas as a class.
