

Wednesday 20<sup>th</sup> May

**Reading**

This week for your Reading Sessions, I need you all to read as much as possible on Bugclub to build up your fluency! There are a lot of books to choose from as not many of you have read many books on the level you are on. I need you all to try your best to read as many as possible over the next couple of weeks as I need to move you all onto the next level after the half term. I will be keeping an eye on Bugclub and there will be lots of dojos given out to the children who are challenging themselves.

If you do want to do something different, you can complete any home readers, reading booklets or KS1 SATs Reading tests you haven't completed in your home learning packs.

Remember, you should be reading daily for at least 30 minutes! Also, you should be reading around 100 words per minute if you are a fluent reader, which means moving your finger at a steady pace as you read (not too slow and not too fast).

**Writing**

Today, I would like you to use your story map you made on Monday and edit it! I would like you to think about the ingredients you would choose for your most disgusting sandwich. To edit your story map, you can stick drawings/ words over your existing ingredients or just make a list/ table of your new ingredients, remembering to include adjectives to describe the new ingredients.

If you like, you could even go on an adventure during your daily exercise with your own sandwich and see what mischief you can get up to with your sandwich. You can be as imaginative as you like!

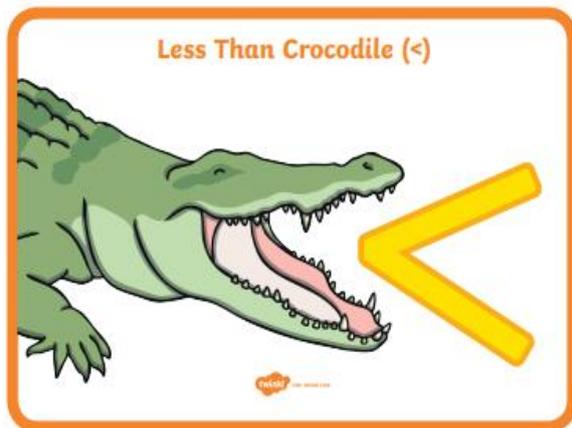

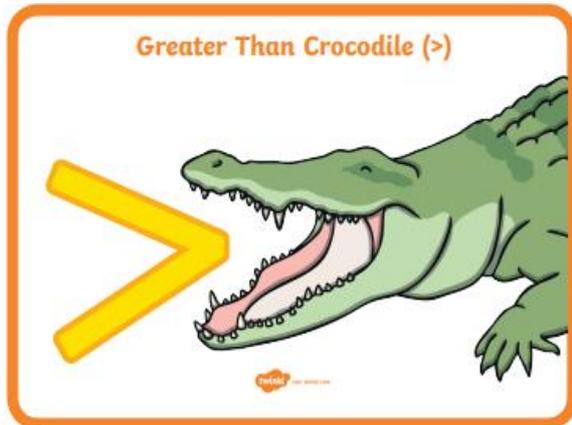

An example of your editing could look like this:

<b><u>Existing ingredient</u></b>	<b><u>New ingredient</u></b>
Fresh peanut butter sandwich	Fresh strawberry jam sandwich
Gritty sand	Black mud
Gloopy green pond weed	Rotten brown leaves
Big black squish mark	Huge footprint
Ants nest	Gigantic bee hive

Once you have edited all of the ingredients, use your story map to retell your story including the changes you have made.

## Maths

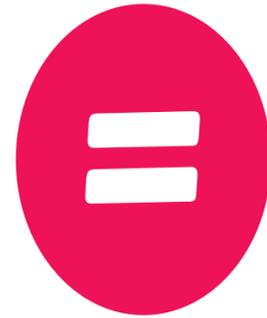

Today, we are going to order numbers and compare numbers using the symbols below.

## equals

twinkl  
www.twinkl.co.uk

- makes
- total
- same as
- equivalent
- balances

## Greater Than or Less Than

Put the correct sign (<, > or =) between these numbers.  
Remember – the crocodile always eats the bigger number!

$12 \quad \square \quad 35$

$43 \quad \square \quad 27$

$36 \quad \square \quad 41$

$28 \quad \square \quad 92$

$46 \quad \square \quad 32$

$88 \quad \square \quad 56$

$22 \quad \square \quad 22$

$8 \quad \square \quad 10$

$88 \quad \square \quad 91$

$77 \quad \square \quad 77$

$21 \quad \square \quad 98$

$58 \quad \square \quad 57$

$96 \quad \square \quad 95$

$16 \quad \square \quad 16$

Now try these questions. You have to work out the sums first, before you decide which symbol to use.

$12 \quad \square \quad 35$

$43 \quad \square \quad 47$

$3+6 \quad \square \quad 10$

$20+8 \quad \square \quad 25$

$46 \quad \square \quad 30+16$

$88 \quad \square \quad 70+17$

$22+3 \quad \square \quad 20+1$

$18 \quad \square \quad 20$

$88 \quad \square \quad 91$

$70+12 \quad \square \quad 83$

$21+11 \quad \square \quad 32$

$58 \quad \square \quad 47+10$

$10+2 \quad \square \quad 7+5$

$16+3 \quad \square \quad 12+6$

## Place Value Ordering 2-Digit Numbers

13	11	69	56	78	19	68	26	95	88
45	29	36	49	87	90	50	61	57	30

Compare and order the numbers above, from smallest to largest.

Largest

Smallest

## Prove it!

Write true or false next to each of these calculations.

$$55 = 49 + 6$$

$$21 < 20$$

$$33 > 67$$

$$17 + 3 > 9$$

## THINKING

Fill in the missing numbers to make these sums correct.

$$\underline{\quad} < 73$$

$$68 + 10 = \underline{\quad}$$

$$\underline{\quad} > 89$$

$$34 + 1 > \underline{\quad}$$

**Practice spelling the words:**

Carelessness

Fearlessness

Thoughtlessness

Hopefully

Beautifully

Wonderfully

Spelling words with more than one suffix.

Spend ten minutes practicing and then get someone to test you.  
Can you put the words into sentences?
