Bugclub

Writing

Today, I would like you to continue with writing up your own Journey story.

Please send me a copy or a picture of your story as I would love to read it!

Maths

Today, I would like you to complete **multiplication and division activities (2's, 3's, 5's and 10's)** as we are at the end of this unit so it will be great to see what knowledge you have gained. You can use;

- Athletics
- Hit the Button – try and beat your own scores or each activity.
- Maths booklets – remember Working towards the Expected Standard is the easiest booklet, followed by the Expected Standard booklet and the Greater Depth Booklet is the hardest.

If there are any lessons from the past three weeks that you have found tricky, then please spend today going over these lessons and activities so your knowledge is secure as we will not be covering multiplication and division again.

Practice spelling the words:

One

Once

Friend

School

House

Our

Spelling Common Exception Words. These words always have tricky parts to them that I have highlighted in red. Sound out the words and you will see what letters (graphemes) are representing the tricky sounds (phonemes).

Spend ten minutes practicing and then get someone to test you. Can you put the words into sentences?
