Subject: SSCE/LAC - ISO 9001:2000 Auditor/Lead Auditor 15 March 2004 SGS Azeri Ltd

Course Identifier: SGS/SSCE/LAC/505329/P/6821

Your results on the above-mentioned course are:

Examination: 81.5

Continuous Assessment: A

Overall Course Mark: Pass

I am pleased to inform you that you have successfully completed the above-mentioned course and enclose a Certificate of Successful Completion.

The method of continuous assessment is designed to assess a delegate's suitability as an auditor at the time of course. The assessment is based upon observation of delegate performance as required by the IRCA Auditor Certification Scheme.

The classification of 'A' or 'A+' is an opinion expressed by the course tutor(s) and does not form part of the criteria set by the Auditor Certification Scheme for granting Auditor or Lead Auditor status.

I must emphasise that other requirements, such as academic qualifications and quality assurance experience are necessary to register as an Auditor or Lead Auditor. May I also point out that course certificates are valid for 3 years, from the date of the last day of the course, for the purposes of seeking certification as an Auditor or Lead Auditor with the IRCA.

Please accept my congratulations and best wishes for the future.

Yours sincerely,
