AD MAIORA : Small but absolutely perfect !

She is the smallest yacht of the range proposed by the Italian Maiora shipyard. A family to which the Maiora 20S yacht seems proud to belong, judging by the clear similarity with the other larger yachts. A yacht close to the user due to its convenience and usability but definitely not the last one in terms of style, elegance and grandeur. Born to be at the top of its class, she set a fashion with her refined lines, the perfect combination of classic and modern.
