Dear Parents/Carers

COVID WINTER GRANT SCHEME - GROCERY PACKS

In order to protect vulnerable households during the pandemic the £170m Government COVID Winter Grant Scheme is being made available to Local Authorities to support those most in need with the cost of food, energy (heating, cooking, lighting), water bills and other essentials.

As part of the support it is providing, Lincolnshire County Council has chosen to make a contribution to support families with providing food during the Christmas period. A £35 grant will be allocated to Early Years settings for the following children:

- Those accessing their 2 year old entitlement
- 3 & 4 year olds in receipt of Early Years Pupil Premium

Your child has been identified within one of the above eligible categories to receive this grant. Settings must use the grant to provide families with support for meals for children during the Christmas holidays. At Abbey Academies Trust we plan to provide this in the form of a grocery pack for each child which will be put together by Ideal School Meals.

Further details about the distribution/collection of the packs will follow. In the meantime we do need you to confirm whether or not you would like a pack. Please do this by 1.00 p.m. on Wednesday 9th December 2020.

You can do this by:

- Emailing BAP.enquiries@abbeyacademies.co.uk
- Telephoning 01778 422163

Please note that where more than one child in a family is entitled to claim free school meals, more than one pack will be provided.

We do appreciate that we are asking for a response in a very short timescale but hope that you feel that this will be beneficial to you.

Yours sincerely

Mrs Sarah Buttress
Head of School
