Sleep Tight

Now the world has gone to bed
It's the time to rest your head
With a yawn and a dozy smile
Cosy up for a while

Sleep tight, sleep tight
Sleep tight
Close your eyes, close your eyes
Sleep tight, through the night
Close your eyes, close your eyes
Close your eyes

Sleep tight, sleep tight
Sleep tight
Close your eyes, close your eyes
Sleep tight, through the night
Close your eyes, close your eyes
Close your eyes
