

## KS5 GEOGRAPHY SEQUENCE OF TOPICS:

### Year 12 and 13 A level geography

Students generally follow the full A level course. Here is the link for the AQA specification we follow:  
<http://www.aqa.org.uk/subjects/geography/as-and-a-level/geography-7037>

Students have 2 terminal exams, one in physical geography and one in human geography. Students also submit a piece of individual fieldwork of 3000 words. This is to be completed in the summer term of year 12.

### The content of the A level is:

- Water and Carbon Cycles
- Contemporary Urban Environments
- Changing Places
- Fieldwork
- Coastal landscapes
- Hazards
- Global systems and Governance
