

New York is the most populous city in the United States. With 8.5 million people, so it's the busiest city too! There are many skyscrapers. The third tallest one is the Empire State building and was built in the year nineteen thirty. It symbolized America's prosperity at that time. Today, the tallest building in New York is the Freedom tower at one thousand seven hundred and seventy-six feet (or five hundred and forty-one meters). New York is also the sixth most diverse city in the USA. There are many cultures in there including Chinese, Italian and Moroccan too! Did you know that America's forty-fifth president, Donald Trump, is from New York?

.....
