

## COMPREHENSION

# Living at School

1 \_\_\_\_\_

Yes, we get up at 6.45 and have breakfast at 7.45. Classes are from 8.30 until 3.15, with an hour for lunch at 12.30. After classes we've got activities from 3.45 to 5.30 and then dinner is at 5.45. We do our homework at 7.30 and bedtime is at 10.30.

2 \_\_\_\_\_

I do football twice a week. I can play the violin and I'm in the school orchestra. We practice three times a week.

3 \_\_\_\_\_

We haven't much free time in the week. We have a break before homework when we can relax, chat with friends or watch TV. Sunday afternoon is also free.

4 \_\_\_\_\_

There are classes on Saturday mornings, then sports and free-time activities in the afternoon. Sometimes we can go to the swimming pool on Sundays.

5 \_\_\_\_\_

It isn't bad. You can choose your food. There's a cafeteria with salads, pizzas, sandwiches and different 'specials' every day.

6 \_\_\_\_\_

Sometimes, but people here are friendly and we're really busy. I can't live at home because my parents work abroad. I see them three times a year on holidays
