Friday 4th September 2020

Dear Parent(s)/Carers

New Start and Finish Times

From Monday 7th September, the times for arriving and leaving school are changing.

1. ALL children within a family with more than one child at St Paul's will arrive at 8:55 and leave at 3:00 from the playground using the Norman St entrance. This means all children within a family, whatever year group they are in, can come to school at the same time.
2. ALL children within a family with only one child at St Paul's will arrive at school at 9:15 am and leave at 3:20 from the playground using the Norman Street entrance.

DROPPING OFF/PICKING UP

To make sure that everyone stays safe, when there is a large queue, we will only be letting parent(s)/carers into the playground 5 at a time. This will ease congestion and will ensure that your child(ren) is/are safely dropped off and collected.

Thank you for your continued understanding and patience with this matter.

Yours

Mrs J Morris
Head Teacher
