Friday 11th September 2020

Dear Parent(s)/Carers

Wonderful Children

I wanted to write to you to tell you how wonderful your children have been since we have returned to school. Your children are well behaved and eager to learn again. It has been hard for all of us to get back to our normal routines, but we are all getting used to being back at school.

Social Distancing and Face Coverings

As Bury is now on Red Alert for the numbers of cases of Coronavirus, please can I remind parents and carers to social distance when waiting to either drop off or collect their children. The number of new cases is rising and we must do whatever we can to stop the spread of the virus.

It is for this reason that from Monday 14th September, I am asking that all parents, carers or other family members over 11, wear a face covering while in the queue outside school and on the school premises. Also from Monday, all staff will be wearing face coverings when out on the playground in the morning and afternoons. Again we are doing this to keep everyone safe.

Thank you for your continued understanding and patience with this matter.

Yours

Mrs J Morris
Head Teacher
