

Current and Previous Attainment at St Gabriel's

St Gabriel's children achieve very well.

Attainment and progress in St Gabriel's is consistently in line with or higher than national measures in Reception, Year 1 Phonics and end of Key Stage 1. In Year 6 at the end of Key Stage 2, we are consistently above National Expectations and frequently above the National.

EYFS (Reception)

At the end of Reception children are assessed in the different areas of learning and those working at expected levels achieve a 'Good Level of Development' (GLD).

- ✓ **At St Gabriel's children in Reception, make good progress and children consistently attain a GLD that is in line with or is above the Local or National Average.**

	School GLD	National GLD
2014	62%	61%
2015	65%	66% (Westminster 65%)
2016	77%	69% (Westminster 69%)
2017	77.3%	71% (Westminster 71%)

Phonics

Children take the phonics test in the Summer of Year 1.

- ✓ **For the 4th Year in a row, St Gabriel's is above the national average.**

	St Gabriel's Yr 1 phonics	National Phonics
2013	61% (Yr 6 in 2018)	69%
2014	82%	74%
2015	92%	77%
2016	88%	81%
2017	90%	81%

End of Key Stage 1

In Year 2 children are assessed by their teacher on work they have done in class, to support the teacher's judgement, SATs tests are also taken.

In 2016, the test grade terminology changed from 2b+ being the national expectation to working at the Expected Standard (EXS). The old higher Level 3 became working at Greater Depth (GDS). If a child did not achieve the expected standard, it is 'Has Not Met' (HNM).

- ✓ **St Gabriel's children consistently achieve in line with the national average, or just above (↑)**

	Reading			writing			Maths		
	2c+	2b+	Level 3	2c+	2b+	Level 3	2c+	2b+	Level 3
2012	90	73	10	73	60	7	93	80	7

2017 School	20.7%	79.3%↑	14%	17.25%	82.75%↑	17%	13.8%	86.2%↑	21%
2017 National	24%	76%	25%	32%	68%	16%	25%	75%	21%

↑higher than the national

KS1 Attainment 2017:

- ✓ **Attainment in reading, writing and maths is better than the national average.**
- ✓ **Attainment at EXS in writing and maths has improved since last year.**
- ✓ **Attainment at Greater Depth has improved in reading, writing and maths**
- ✓ **Attainment of disadvantaged is higher than their peers**
- ✓ **Attainment of summer born is better than their peers**

KS1 Progress 2017 (school's own data)

- ✓ **80.77% made expected progress in Reading**
- ✓ **92.3% made expected progress in writing**
- ✓ **92.3% made expected progress in maths**

End of Key Stage2:

In Year 6, children sit the SATs.

As with the Key Stage 1 Tests, the tests and the terminology altered in 2016. The national expectation of Level 4 became working 'At the Standard' (AS). Achieving above the national average (previously Level 5 or 6) became Higher Scaled score or in Writing teacher assessed, 'Greater Depth.'

Children at St Gabriel's have achieved significantly above the national average. We have achieved the highest Key Stage 2 results in Westminster.

- ✓ Again we have attained significantly above the national average in reading, writing, maths and SPAG (Spelling, punctuation, and grammar)
- ✓ We have attained above the national average for at least 4 consecutive years in a row.
- ✓ Our combined Reading, Writing and Maths is considerably above the national and has been above the national for that past 4 years.
- ✓ As only one child did not achieve the standard in Maths and in SPAG, there are no significant gaps between groups of pupils
