

# Religious Education

## KS2

### Task 2

Write a poem that concentrates on one of the main themes of Easter.

You may like to write about the hope that Easter promotes. You could also write about new beginnings. Other themes could include sacrifice and salvation. You could always choose your own theme from the Easter story.

Things to challenge you while you write:

Does your poem rhyme?

Is there a syllabic pattern in your poem?

Have you used metaphors and similes?

Have you included expanded noun phrases to add description?
