

Literacy 5 – Write your own story

Re-watch “Library Lion” on Storyline online.

<https://www.storylineonline.net/books/library-lion/>

It is very strange for a lion to be at the library or in the neighbourhood. Have you ever seen a lion roaming around Pimlico?

Where do you think the lion came from? Has it been to other shops or places before going to the library? Does it live with its family or with friends or on its own? Does it live in a flat or a house or in the park? Has it escaped from the zoo?

Write a story about where the lion came from and how it ended up going to the library.

You can use the grid to help you plan your story and then write the story in your book.

Who Lion -	Where
When	What
