

Science – labelling a bee

Can you label this bee using these words –

Head

Leg

Abdomen

Antennae

Thorax

Forewing

Hindwing

You may need to do some research to complete this work.

Challenge:

Choose a different insect or minibeast and compare them with the bee. Do they have all the same body parts? Do they have the same number of legs? Do they have the same number of wings? What makes them different from each other?
